The Lessor shall, unless herein specified to the contrary maintain the demised premises, including the building and any and all equipment, fixtures, and appurtenances, whether severable or non-severable, furnished by the Lessor under this lease in good repair and tenantable condition, except in case of damage arising from the act or the negligence of the Government's agents or employees. For the purpose of so maintaining said premises and property, the Lessor may at reasonable times enter and inspect the same and make any necessary repairs thereto.

(c) If any building or any part of it on the leased property becomes unfit for use for the purposes leased, the lessor shall put the same in a satisfactory condition, as determined by the Post Office Department, for the purposes leased.
