State of South Carolina (hereinafter called the "owner")

DATE OF SIGNATURE

JUN 18 10 03 AM 1962

: W I T N E S S E T H :

WHEREAS, the Government has under authority of Public Law 554,
78th Congress, approved December 22, 1944, and Public Law 516, 81st
Congress, approved May 17, 1950, undertaken the development of the flood
control, hydroelectric and navigation project known as the Hartwell Dam
and Reservoir Project, hereinafter called the Project, and is now engaged
in prosecuting the development of the Project in the State of South
Carolina; and

WHEREAS, the owner is the holder of certain interest in land on
which the owner has constructed and is operating and maintaining certain
facilities consisting of electric aerial cable and electric aerial wire
and associated poles, cross-arms and appliances appurtenant thereto, which
interfere with the development and use of the project by the Government; and

WHEREAS, it is necessary in the construction, completion, and en-
joyment by the Government of the said project that the aforementioned title,
rights and privileges of the owner be abandoned and/or modified and re-
stricted and that certain facilities of the owner be relocated, rearranged
or altered; and
