Harold R. McGee, Grancedo and Piedmont Highway (S. C. Highway 5) and Southern Railroad, being known as Tract 20 on Plat of property of E. A. Smyth, et al made by Dalton & Neves November, 1935, recorded in the RMC Office for Greenville County, South Carolina, Plat Book "B" at Page 170; the property affected by this right of way being the same property conveyed to D. V. Turbeville and Edna G. Turbeville by deed of Lina Bolt dated August 9, 1952, recorded in the RMC Office for Greenville County, South Carolina in Deed Book 460 at Page 406,

and to construct and maintain in, upon and through said premises, in a proper manner, a pipe line or lines, air vents, blow off connections, manholes and other necessary apparatus incident thereto, using the necessary appliances and machinery for such work for the purpose of conveying water through the premises above described, together with the right at all times to enter upon said premises for the purpose of inspecting said line or lines and making necessary repairs and alterations thereon, together with the right to cut away and keep clear of said pipe line or lines all trees and other obstructions that may in any way endanger or interfere with the proper operation of or access to the same.

It is understood and agreed that the right of way under this deed is ten feet in width throughout the entire length which is approximately fifty five feet, and the entire right of way may be used for the purpose of installing the pipe line or lines. The location of said pipe line or lines is to be approximately along the line as now located and staked out by the engineers, subject to a variation of not exceeding five feet either way. The permanent right of way, after the pipe line or lines are installed shall be ten feet in width measuring five feet from the center on each side of said pipe line as laid, and no obstruction shall hereafter be placed on said ten foot right of way. The right of way and water lines are shown on a drawing dated May 9, 1963, labeled "Water Line Right of Way, Greenville Water Works", which is attached hereto and made a part of this conveyance.

If in laying the pipe line or lines, it is necessary to cut any timber from the right of way, such timber shall be placed at the edge of the right of way on the land of the undersigned grantor and shall be the property of the undersigned grantors.
