IV

The Lessor understands that no objectionable odor is connected with the pumping operation intended to be carried out upon the said premises, which would be noticable for a distance in excess of twenty-five (25) feet from such pumping station site.

V

It is further agreed that the Lessor shall be permitted during the term of the Lease to graze cattle outside of a contemplated fence around such pumping station site, if the entire area herein Leased is not fenced off by the Lessee.

VI

The within Lease shall be binding upon the Lessor and his heirs, administrators, or assigns.
