(6) No structure of a temporary character, including trailers, basements, tents, shacks, garages, barns or other outbuildings shall be used on any lot at any time, either temporarily or permanently, except as required for and during construction work.

(7) No trash, garbage or other waste shall be kept outside any building, except in adequately constructed and protected, sanitary containers, and such containers shall be maintained in a clean, sanitary and attractive condition. All service entrances shall be maintained in a clean and attractive condition.

(8) No live animals or live fowl shall be maintained on any part of said property.

(9) The Architectural and Design Committee shall consist of three members initially selected by the undersigned. After the sale of more than three parcels of land, a majority of the owners of said parcels of land may select, each year, a third member of said Committee and at said time the owners shall select two members of said Committee. Said Committee shall decide all matters before it by a majority vote. The members of the Committee shall be persons well qualified and able to perform the duties of said Committee, and to ably and intelligently pass on all questions and issues designated to come before said Committee by the provisions herein. Owners of property covered hereby may serve as members of the Committee; and the Committee shall serve without compensation. For the purposes of this paragraph a lessee of property covered by these provisions shall be deemed the owner thereof, if actually occupying said leased property (but excluding tenants of apartments or office buildings).

The original Committee shall be composed of Douglas S. Crouch, Frank H. Halter and John T. Douglas. Vacancies
