

nor shall any structure of a temporary character nor any structure which is unfinished or uncompleted be used as a residence. No house trailer or mobile home shall be placed on any of said lots, either temporarily or permanently, unless the same shall be stored in a closed building so as not to be visible from outside of said building.

11. No fence of any type, wall or hedge shall be erected on any of said lots in front of the front wall of the dwelling located thereon without approval of the architectural Committee. All fuel oil tanks, gas tanks and other storage containers used in connection with a dwelling shall be placed underground or placed in an outbuilding, consistent with normal safety precautions, so that said tanks or containers shall not be visible.

12. All sewerage disposal shall be by septic tank until municipal sewerage disposal is available and shall meet with the approval of the local and State Board of Health.

13. If said lots are subsequently re-cut and re-subdivided, no residence shall be constructed on such re-subdivided property or any lot or portion thereof which is smaller than the smallest lot shown on the above referred to plat. Nothing herein contained shall be construed to prohibit the use of more than one lot or portions of one and more lots as a single residence building site, provided that said lot would otherwise meet the requirements as to size, set-back, and directional facing of said dwellings.

14. The right is reserved to lay or place or authorize the laying and placing of sewer, gas and water pipe lines, telephone, telegraph and electric light poles on any of the streets, alleys and byways shown on said plat, or hereafter cut, without compensation or consent of any lot owner in said subdivision. An easement for the installation and maintenance of utilities and drainage facilities is reserved over said streets, alleys and byways.
