

hedges, shrubbery, walkways, driveways, parking areas and important trees.

(3) In order to prevent duplication of buildings or improvements to be constructed in this subdivision, the Committee is vested with full authority to approve or disapprove plans for the construction of any building or improvement with its major features so similar to an existing building or improvements as to be considered a substantial duplication thereof in the discretion of the Committee. The Architectural Committee shall further have the right to refuse to approve any such plans, specifications, plot plans or landscape plans, the Committee shall take into consideration the suitability of the proposed building or other improvement, the materials of which it is to be built, whether or not it is in harmony with the surroundings and what effect it will have on other residences already constructed and what effect it will have on the outlook from adjacent or neighboring property.

(4) In the event that the Committee fails to approve or disapprove such plans within thirty (30) days after they have been submitted to it, or if no suit to enjoin the erection or alteration of such building or improvement has been commenced before such erection or alteration is substantially completed, approval of the Architectural Committee will be conclusively presumed and this covenant will be deemed to have been fully complied with. The term "building or improvement" shall be deemed to include the erection, placement or alteration of any wall, fence, driveway or parking area.

(5) Application for approval as required herein shall be made to the Committee at the principal office of Chanticleer Real Estate Co., 304 North Church Street, and at the time of making such application, the building plans, specifications, plat plans and
