MAINTENANCE, TAXES AND INSURANCE

SECTION 6.1. Maintenance and Modifications of Project By Lessee. The Lessee agrees that during the Lease Term it will at its own expense (i) keep the Project in as reasonably safe condition as its operations shall permit and (ii) keep the Building and all other improvements forming a part of the Project in good repair and in good operating condition, making from time to time all necessary repairs thereto and renewals and replacements thereof. The Lessee may, also at its own expense, make from time to time any additions, modifications or improvements to the Project it may deem desirable for its business purposes that do not adversely affect the use of the Project for the purpose for which it is intended. Subject to the provisions of Section 6.2 hereof, such additions, modifications and improvements so made by the Lessee shall be on the Leased Land and become a part of the Project. The Lessee will not permit any mechanics' or other liens to be established or remain against the Project for labor or materials furnished in connection with any additions, modifications, improvements, repairs, renewals or replacements so made by it; provided, that the Lessee may in good faith contest any mechanics' or other liens filed or established against the Project, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless the Purchaser shall notify the Lessee, that, in the opinion of an Independent Counsel acceptable to Lessee's Authorized Representative, by non-payment of any such items the title of the County as to any part of the Project will be materially endangered or the Project or any part thereof will be subject to loss or forfeiture, in which event the Lessee shall promptly pay and cause to be satisfied
