These actions were commenced by separate Complaints filed by the plaintiffs against the above named defendants. The plaintiffs were represented by Attorney Michael Parham of the Greenville Bar. The defendants in both actions were served with the Complaints, as will more fully appear by the several Affidavits of Service of Charles Shirley, however, no Answer, Demurrer or other responsive pleadings were received, and I, therefore, find these defendants to be in default.

At the trial of this action a motion was made by the attorney for the plaintiff to consolidate these matters and said motion was granted. This action deals with several parcels of real property in the County of Greenville, State of South Carolina, therefore, this Court finds that it has jurisdiction of the parties and of the subject matter.
