

USES PERMITTED AND PROHIBITED

(1) All lots in this subdivision or development shall be known and described as residential lots and shall be used exclusively for single family residential dwellings. No structure shall be erected, altered, placed or permitted to remain on any such lot other than one detached single-family dwelling not to exceed two and one-half stories in height and a garage for private passenger automobile and servants quarters.

(2) No trailer, basement, tent, shack, garage, barn or other out-building erected upon any lot shall at any time be used as a residence either temporarily or permanently. No structure of a temporary nature shall be used as a residence and no house trailer shall be placed on any lot either temporarily or permanently.

(3) No noxious or offensive activity shall be carried on anywhere on the property subject to these covenants nor shall anything be done thereon which may be or become an annoyance, nuisance or menace to the neighborhood. No lot or any part thereof shall be used for any business or commercial purpose nor for any public purpose.

(4) All fuel oil tanks or containers shall be covered or buried underground consistent with normal safety precautions.

(5) No animals shall be kept, maintained or quartered on any lot or tract in this subdivision except that cats, dogs, rabbits, hamsters or caged birds may be kept in reasonable numbers as pets for the pleasure of the occupants.

(6) Garbage and trash cans, wood piles and clothes drying yards must be so located that they will not be visible from the street or from the golf course.

(7) Property owners will be required to keep tall shrubbery or hedges trimmed to reasonable limits where air circulation or view from surroundings property may be adversely affected or where traffic hazards may be created.

(8) Provisions must be made by the property owners for off-street parking of cars belonging to domestic servants as the parking of such cars on street right-of-ways for long periods of time during the day or night will not be permitted.

(9) Particular care must be given to the design and location of carports or garages. They must be located away from the principal street of the house so that the main view of the house from the street will not be directly into such a carport or garage.
