REPRESENTATIONS AND UNDERTAKINGS

SECTION 2.1 Representations by the County. The County makes the following representations as the basis for the undertakings on its part herein contained:

(a) The County is a body politic and corporate and a political subdivision of the State of South Carolina, and is authorized and empowered by the provisions of the Act to enter into the transactions contemplated by this Agreement and to carry out its obligations hereunder. The Project constitutes and will constitute a "project" within the meaning of the Act. By proper action of the County Board and the State Budget and Control Board of South Carolina, the County has been duly authorized to execute and deliver this Agreement.

(b) The County has heretofore acquired the Leased Land, and does hereby authorize the Lessee to construct the Building thereon, to acquire and install the Leased Equipment in the Building or on the Leased Land and to acquire, install and construct all other things deemed necessary in connection with the Project, and the County proposes to lease the Project to the Lessee and to sell the Project to the Lessee at the expiration or earlier termination of the Lease Term, all for the purposes of promoting and employing the manpower and natural resources of South Carolina.

(c) Heretofore the County did agree as of January 18, 1977, that the County would finance the cost of constructing and equipping the Project. The Lessee has estimated that such cost will be \$2,250,000. On that basis the County now proposes to issue the Bonds in the aggregate principal amount of \$2,250,000, which will be dated, mature and bear interest as set forth in Article II of the Indenture and which will be subject to redemption on the occasions and at the redemption prices set forth in Article III of the Indenture, in order to finance the cost of constructing and equipping the Project.
