said property through which said easement is granted being acquired by Grantors by deed(s) recorded in Deed Book \_\_\_\_\_ at Page \_\_\_\_\_ (or Will filed in Probate File No. \_\_\_\_\_ or intestate succession from \_\_\_\_\_), together with the right of unimpaird access to said pipeline and the right of ingress and egress on, over, and through Grantors' above-described land for any and all purposes necessary and incident to the exercise by said Grantee of the rights granted hereunder, with the further right to maintain said right of way herein granted clear of trees, undergrowth, and brush. Grantors covenant and agree that they will not impound water or construct buildings, structures, engineering works or other obstructions of any type whatsoever on the above-described right of way strip unless authorized in writing by Grantee. In addition to the above consideration, Grantee agrees to repair or to pay for any actual damage which may be done to growing crops, timber, fences, buildings, or other structures directly caused by Grantee exercising any rights herein granted; provided, however, after the pipeline has been installed, Grantee shall not be liable for damages caused on the right of way by keeping said right of way clear of trees, undergrowth, brush, buildings, structures, engineering works and obstructions in the exercise of its rights granted herein.

The pipeline constructed hereunder by Grantee across any portion of the above-described land which is under cultivation shall, at the time of the construction thereof, be buried to such depth as will not interfere with Grantors' use of said land for normal cultivation required for the planting and tending of crops; except that Grantee, at its option, may construct its pipeline above the channel of any natural or man-made stream, ravine, ditch or watercourse.

It is agreed that any payment hereunder may be made direct to said Grantors, or any one of them, or by depositing such payment to the credit of said Grantors, or any one of them,

Delay of Grantee in the use or exercise of any right or easement hereby granted, or in laying or installing the pipeline in or along said right of way, shall not result in the loss, limitation or abandonment of any of the right, title, interest, easement or estate hereby granted.

The rights herein granted are divisible and assignable in whole or in part.

The terms, covenants, and provisions of this right of way easement shall extend to and be binding upon the heirs, executors, administrators, personal representatives, successors, and assigns of the parties hereto.
