

10. It is understood that the owner or persons desiring to connect to the sewer system must obtain the consent or approval of any other governmental agency having jurisdiction including the Western Carolina Regional Sewer Authority.

11. In addition to the other remedies for collection of the annual charge, the City of Mauldin shall have the right to disconnect and discontinue sewer service to any user who fails to pay the annual charge as herein provided.

IN WITNESS WHEREOF the parties hereto have caused this instrument to be executed by their duly authorized officials this date first written above.
