

Vol 1082 pg 919

Solar Heights TTG 7/5/78

XI. (continued) of the then owners of the tracts it is agreed to change said covenants in whole or in part.

XII. Solar Energy. It is anticipated that solar energy may be utilized by some owners of tracts in the community, and in some cases said owners may apply to the committee, who in their sole discretion may grant variations to the covenants to permit most effective placement of buildings, devices or structures to most effectively capture energy from the sun.

IN WITNESS WHEREOF, the parties hereto have hereunto set their hands and seals this 11th day of July, 1978.
