

plans, specifications, plot plans or landscape plans, the Committee shall take into consideration the suitability of the proposed building or other improvement, the materials of which it is to be built, whether or not it is in harmony with the surroundings and what effect it will have on other residences already constructed and what effect it will have on the outlook from adjacent or neighboring property.

4.4 In the event that the Committee fails to approve or disapprove such plans within thirty (30) days after they have been submitted to it, or if no suit to enjoin the erection or alteration of such building or improvement has been commenced before such erection or alteration is substantially completed, approval of the Architectural Committee will be conclusively presumed and this covenant will be deemed to have been fully complied with. The term "building or improvement" shall be deemed to include the erection, placement or alteration of any wall, fence, driveway or parking area.

4.5 Application for approval as required herein shall be made to the Committee at the office of College Properties, Inc., First Federal Building, 301 College Street, Greenville, S. C., 29601, or at such other place as they may have their office, and at the time of making such application, the building plans, specifications, plot plans and landscape plans shall be submitted in duplicate. One copy of such plans and specifications will be retained by the Committee and the other copy will be returned to the applicant with approval or disapproval plainly noted thereon.

4.6. Upon approval by the Committee, the construction may be commenced. Should the applicant request the same, the Committee will approve the construction by a written permit.

4.7 The Committee is authorized by majority vote of its members to approve or ratify any building minor violations of the requirements herein set forth under Section III, "Setbacks, Location and Size Improvements and Lots", if in the opinion of the Committee the same shall be necessary to prevent undue hardship because of topography, the shape of any platted lot or the setback lines as shown on the recorded Plat, and if in the opinion of the Committee such violation will cause no substantial injury to any other lot owner. In no event may the Committee approve or ratify a violation of the front setback line of more than 5 feet or of the main building side line restriction of more than 3 feet or of the restrictions as to building size imposed by Section III hereof by more than 15 square
