

1143-100

to relocate the above-described sanitary sewer line and easement to some other portion of the thirty-acre tract of land shown on the above-described Plat provided said relocation does not interfere with the operations of the undersigned, their heirs, successors and assigns, and provided further that any such location of the sewer line shall be performed in good workmanlike manner and in compliance with then applicable health and building codes and regulations.

At the time of said relocation an instrument describing the relocated easement and providing for a permanent width of ten (10) feet, increasing to twenty-five (25) feet for purposes of maintenance and repairs shall be executed by the parties hereto or their successors or assigns and said relocated easement shall be paramount to any liens and encumbrances on that portion of the land covered by said easement.

IN WITNESS WHEREOF, the undersigned have executed this instrument this 25th day of February, 1981.

IN THE PRESENCE OF:
J. H. ...
