

will appear on the charts for phases 2 and 3 should developer exercise either or both of said options. The total number of bedrooms, basic value and percentage of ownership will not change and will remain as shown above. The only change would be for example, that residence #A-1 may have the bedrooms, values and percentages of ownership of residence #B-1 and residence #B-1 may have the bedrooms, values and percentage of ownership of residence of #A-1.
