

## ARTICLE VIII.

## ARCHITECTURAL CONTROL

Section 1. No building, fence, wall, antenna, clothesline, or other structure shall be commenced, erected, or maintained upon the Property, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the said improvements or alterations shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association or by the Architectural Committee. In the event that the said Board or its designated committee, fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to them, approval will not be required and this Article will be deemed to have been fully complied with; provided, that the plans and specifications required to be submitted shall not be deemed to have been received if they contain erroneous data or fail to present accurate information upon which the Board or its committee can arrive at a decision.

Section 2. The said Board or its committee shall have the right, at their election, to enter upon any lot during construction, erection, or installation of improvements or alterations to inspect the work being undertaken in order to determine that such work is being performed in conformity with the approved plans and specifications and in a good and workmanlike manner, utilizing approved methods and good quality materials.

## ARTICLE IX.

## USE RESTRICTIONS

Section 1. Rules and Regulations. The Board of Directors of the Association shall have the power to formulate, publish, and enforce reasonable rules and regulations concerning the use and enjoyment of the yard space of each lot and the common area. Such rules and regulations, along with all policy resolutions and policy actions taken by the Board of Directors, shall be recorded in a Book of Resolutions, which shall be maintained in a place convenient to the owners and available to them for inspection during normal business hours.
