Dear Sirs G

all men are created
equal & endowed by
their Creator with
certain unalienable
Rights; that among these
are Life, Liberty and the
Pursuit of Happiness.

That to secure these
rights, Governments
are instituted among
Men, deriving their
just powers from the
consent of the governed;

That whenever any Form
of Government becomes
dangerous to these
ends, it is the Right of
the People to alter or
to abolish it, and to
institute a new Government
laying its foundation
on such principles, and
securing such just
powers, as will effect
their Safety and
Happiness. —

Pray accept my
affectionate regards to
yourself & your family
and believe me ever
Yours very truly &
affectionately yours
John Adams
