Section VIII The City of Greenville shall have the privilege of purchasing the Works and all the property pertaining thereto at the expiration of three year and ten years from the passage of this ordinance by giving at least six months previous notice to the Water Company of their intent to do so. And in event of such sale the City shall purchase the said Works subject to the mortgage bonds issued the said Company agreeing that the issue of Bonds shall not exceed the entire cost of the Plant and pay such additional amounts as may be agreed upon by arbitration. The arbitrators shall be men who are conversant with Water Works and appointed as follows: The City of Greenville appoints one the Water Company appoints one and these two appointed a third who shall not be a resident of Greenville. Their decision shall be final and binding. Upon the payment of the amount agreed upon the City shall be entitled to take immediate possession.

Section IX In consideration of the benefit which will be derived by said City and its inhabitants from the construction and operation of the herein before described system of Water Works and in further consideration of the water supply hereby secured for public uses and as the inducement to the said Water Company to accept the provisions of this ordinance and contract and to enter upon the construction of said system of Water Works the franchise hereby granted to and invested in said Water Company shall remain in force and effect for twenty five years from the passage of this ordinance unless extinguished by purchase as herein before provided and on the same inducement and for the same consideration the said City of Greenville from the Carolina hereby rents from the Water Company for the uses herein after stated One hundred feet Hydrants as before described for and during the term of the franchise from the date of completion of the said Water Works. The City of Greenville shall locate said hydrants so as not to retard the construction of the Works. Any injury that may be caused said hydrants by the carelessness of said City shall be paid to the Water Company
