

State of South Carolina

Pursuant to a warrant from John Watson County of location for Greenville district dated April 27th 1837 I have admeasured and laid out unto Edward H. Carle (for the purpose of relocating granted land, and part vacant) a tract of land containing sixteen hundred and twenty four acres situate in said district on the South and Middle forks of Saluda River and hath such bounds marks, shape &c as the above plat represent. Surveyed the 28th day of April 1837.
