SIXTEEN BILLION DOLLARS—SHOOT KOKA—ORIGINAL—NOT NEGOTIABLE

SKAIGHT SIT OR LABS—Short Row

SKAIGHT, which is the abbreviation used mostly by offices on the coast, is a very durable fabric, in appearance, having an almost leather-like finish. It is made from a heavy, woven, ribbed fabric, and is a good material for office chairs, as it is very comfortable, and is very durable. It is also a good material for office chairs, as it is very comfortable, and is very durable.
