

BOOK 18 1928

That the supplying of materials and the performance of the labor contracted for has been fully performed and that the last day on which materials and labor were supplied was on or about August 19, 1982.

Deponent further states that he is entitled to a Mechanic's Lien on the property herein described in and for the amount of \$1,486.24, plus the costs of this Mechanic's Lien and reasonable attorney's fees.
