If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's weight.

NOTE: When the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding

The rate hereon paid for this shipment conforms to the specifications set forth in the box maker's certificate thereon, and all other requirements of the International Freight Classification.
