If the shipment moves between two ports by a carrier by water, the law requires that the bill of lading shall state whether it is carrier's or shipper's bill.

NOTE: Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property to be shipped or declared value of the property is hereby specifically stated by the shipper to be not exceeding _____ per _____.

The Blue lines used for this shipment conform to the specifications set forth in the box maker's contract to carrier, and all other requirements of the International Freight Classification.
