

Supplement No. 1 to Subcontract Agreement (Continued)

6. Add to Article 10, subsection (a), line 4, the following: "to the extent of subcontractor's negligence."
7. In Article 11, subsection (d), delete the language in lines 1 and 2 beginning with "contractor shall not" and ending with "architect, or" and substitute the following: "neither party shall be liable for delay."
8. Article 11, subsection (e) should be deleted in its entirety.
9. Our quotation is based on drilling the jackholes through Carolina clay or dirt using truck-mounted drilling equipment from lowest level served by elevators. If rock, boulders, shale, sand, water, underground cavities, or anything other than clay or dirt is encountered, our additional charge for excavating through this material shall be \$150.00 per linear foot.
