Third-Party Plaintiffs,

vs.

T. E. Lane Construction and  
Supply Company, Inc.,  
Devesco Pacific Development  
Corporation, et al

Defendants.

It appears the within matter involves the foreclosure of a mechanics lien by the general contractor, numerous subcontractors having subsequently filed mechanics liens and joined in the foreclosure action. It now appears that the parties have entered into a settlement agreement forever ending this action, including the mechanics liens filed by the subcontractors.

NOW, THEREFORE, upon motion of the attorneys for the
