

The first deed to the three above lots were made to me in the name of Antonio Gugliere. I afterwards conveyed them to G. P. Campbell and signed the deed as A. G. Gugliere and said Campbell reconveyed said lots to me in my last above name and I as A. G. Gugliere hold the title to said lots, I being one and the same person as Antonio Gugliere. I have a nephew whose name is also A. G. Gugliere, and there is a judgment against him, but none against me. There is no mortgage or judgment lien on the above described property.
