

Resolution by City View Water + Sewer District  
Comm. In Reference To application for loan by  
Annie H. Smith, adopted at Regular Session.

Mr. Robt. N. Smith, on behalf of his wife Annie  
H. Smith, appeared before the Board and stated that  
the house situated on the property over which the  
Commission has a mortgage of \$2000.00 is badly  
in need of certain repairs and asked that he be  
re-loaned \$200.00 of the amount that he has already  
paid in on the mortgage, and also to make such  
repairs and other improvements on the premises,  
and to facilitate his paying the mortgage now  
held more promptly, he asked to have the mortg-  
age extended a period of five months from its  
original terms and the monthly payments reduced  
to \$30.00 per month.

It was reported that \$300.00 has been paid  
on the principal of the mortgage now held and that  
two monthly payments are in arrears. It was moved  
and seconded that the sum of \$200.00 be re-loaned  
and a second mortgage over the property be taken  
as security, such mortgage to be paid one-third  
November 1st, 1935, one-third February 1st, 1936,  
and one-third May 1st, 1936, with interest.

It was also moved and second that the  
payments provided in and by the first mortgage  
now held by the Commission in the original sum  
of \$2000.00, recorded in R. M. C. Office in Book 253  
page 6, be suspended until the 1st day of October,  
1935, on which date, and on the 1st day of each  
and every month thereafter such payments shall be  
reduced to the sum of \$30.00 per month, and to be pay-  
able in such amount on the 1st day of each and every  
month thereafter until the note and mortgage is paid  
in full.

Above motions duly carried and adopted and the  
Secretary authorized to deliver a copy hereof to Mrs. Annie  
H. Smith for her protection in showing the change in  
the terms of the original mortgage.
