following meter and	hounds:	•					

Beginning 100 feet south from Dunbar Street on the east side of Calhoun Street at Howard's corner; thence with Howard's Dan Richardson's and G. L. Calhoun's line easterly about 191 feet to Tribble Alley; thence along Tribble Alley southerly 42 feet to a pin; thence parallel with Dunbar street westerly (this line dividing the out building containing waterworks, plumbing and closets) about 97 feet; thence running parallel to Calhoun Street southerly 16 feet to a pin; thence westerly parallel with Dunbar Street about 106 feet to Calhoun Street; thence with Calhoun Street northerly 56 feet to the beginning corner.

This is the northern part of lot No. 19-A and 20, Block I, Sheet 85 of Green-ville City Map, except that the map is incorrect in showing Tribble Alley on South (as there is no alley on the south) but Tribble Alley is on the east as shown by said map.

This is the same land conveyed to T. M. McBee and Paralee McBee by G. L. Calhoun, February 2, 1932, by deed to be recorded.
