

MORTGAGE OF REAL ESTATE

5726 PROVENOR-JARRARD CO.-GREENVILLE

or near the point of beginning, thence extending upon or along said intersecting highway in a ^{northeasterly} general/northeasterly direction, a distance of approximately 1 1/2 miles to a highway that runs in a general north-westerly and southeasterly direction, thence extending upon or along the said highway in a general northwesterly direction, a distance of approximately 1 2/10 miles; beginning at the point on said electric line where it reaches the highway last mentioned, thence extending in a general southeasterly direction, along said highway, a distance of 7/10 of a mile and thence extending therefrom in a general southerly direction upon or along the highway that intersects the highway last mentioned at said point, a distance of approximately 8/10 of a mile; and beginning at a point 2.8 miles east of the original point of beginning in this paragraph (16) mentioned, where the unnumbered highway first mentioned in said paragraph is intersected by a highway running in a general southerly direction therefrom, thence extending upon or along the highway last mentioned in a general southerly direction, a distance of approximately 8/10 of a mile; together with all branch or lateral lines extending from, or connected, or connecting with, any of the electric lines in this paragraph (16) described.

(17) The electric line shown on said map or plat in the County of Sumter, and designated D thereon, beginning at a point at or near the junction of U. S. Highway 76, and U. S. Highway 521, approximately 2.2 miles northwest of the city of Sumter in said county, and thence extending upon or along U. S. Highway No. 521, in a general northwesterly direction to and through the town or village of Dalzell, thence extending in a general westerly and northwesterly direction from the town or village of Dalzell, upon or along said United States Highway No. 521, a distance of approximately 2 3/4 miles; and beginning at a point upon U. S. Highway, No. 521, approximately 2 3/4 miles east of the terminus of the electric line last described and thence extending in a general northerly direction, a distance of approximately 2.55 miles to Gaillards' Crossroads, upon or along the highway that intersects U. S. Highway No. 521 at the point of beginning of the line last described; together with all branch or lateral lines extending from, or connected, or connecting with any of the electric lines in this paragraph (17) described.

(18) The electric line shown on said map or plat in the County of Sumter and designated as H thereon, beginning at a point near the town or village of Hodges Corner in said county, where the highway extending between the towns or villages of Pinewood and Paxville is intersected by a highway running in a south or southerly direction therefrom, thence extending upon or along said intersecting highway in a south or southerly direction to the county line between the Counties of Sumter and Clarendon, thence extending from said county line upon or along said highway in Clarendon County to the home of Mrs. Minnie Brown in said county of Clarendon; and beginning at a point on said intersecting county highway first mentioned in this paragraph, approximately 4.75 miles south of the original point of beginning in this paragraph referred to, and thence extending in a northwesterly direction therefrom, along or upon the county highway that intersects the said county highway last mentioned at said point, for a distance of approximately 2.35 miles; the said electric line last described being in the County of Clarendon; together with all branch or lateral lines extending from, or connected, or connecting with any of the lines in this paragraph (18) described.

(19) The electric line shown on said map or plat in the County of Aiken and designated X thereon, beginning at a point at or near the intersection of Highway 78 and Wagner Road, at or near the city of Aiken in said county, and thence extending in a northeasterly direction upon or along said Wagner Road, a distance of approximately 7 miles; together with all branch or lateral lines extending therefrom, or connected, or connecting therewith.

(20) Also, all other property, real, personal or mixed, tangible, or intangible, of every kind, nature and description, and wheresoever situate, now owned or hereafter acquired by the Mortgagor, it being the intention hereof that all property, real, personal and mixed, acquired or held by the Mortgagor after the date hereof shall be as fully embraced within and subjected to the lien hereof as if the same were now owned by the Mortgagor and were specifically described herein.

V.

All right, title and interest of the Mortgagor in, to and under any and all contracts made by it with any and all persons, firms or corporations whatsoever providing for the purchase by the Mortgagor of electric energy at wholesale to be furnished to the Mortgagor at certain points upon the transmission or distribution lines or systems of the Mortgagor, and all right, title and interest of the Mortgagor in, to and under any and all contracts of like nature which may hereafter be entered into by the Mortgagor with any person, firm or corporation whatsoever for the sale, supplying or furnishing to the Mortgagor of electric energy at wholesale.

VI.

All tolls, rents, issues, income, revenues, earnings, profits, benefits and additions derived, received or had from any and all property of the Mortgagor of every nature and description, whether now owned or hereafter acquired, erected or constructed.

TO HAVE AND TO HOLD the Mortgaged Property to the Mortgagee and its assigns forever, to secure said Bond and interest thereon.
