

This is the same property conveyed to the mortgagors by deed of Henry F. Weathers and Harry L. Weathers of even date to be recorded herewith.

together with all rights, interests, easements, hereditaments and appurtenances thereunto belonging, the rents, issues, and profits thereof and revenues and income therefrom, all improvements and personal property now or later attached thereto or reasonably necessary to the use thereof, all water, water rights, and water stock pertaining thereto, and all payments at any time owing to Borrower by virtue of any sale, lease, transfer, conveyance, or condemnation of any part thereof or interest therein—all of which are herein called "the property";

TO HAVE AND TO HOLD the property unto the Government and its assigns forever.

BORROWER for himself, his heirs, executors, administrators, successors and assigns WARRANTS THE TITLE to the property to the Government against all lawful claims and demands whatsoever except any liens, encumbrances, easements, reservations, or conveyances specified hereinabove, and COVENANTS AND AGREES as follows:

(1) To pay promptly when due any indebtedness to the Government hereby secured and to indemnify and save harmless the Government against any loss under its insurance of payment of the note by reason of any default by Borrower. At all times when the note is held by an insured lender, Borrower shall continue to make payments on the note to the Government, as collection agent for the holder.

(2) To pay the Government any initial fees for inspection and appraisal, and any delinquency charges, now or hereafter required by regulations of the Farmers Home Administration.

(3) At all times when the note is held by an insured lender, any amount due and unpaid under the terms of the note, less the amount of the annual charge, may be paid by the Government to the holder of the note as provided in the note and insurance endorsement for the account of Borrower. Any amount due and unpaid under the terms of the note, whether it is held by the Government or by an insured lender, may be credited by the Government on the note, and thereupon shall constitute an advance by the Government for the account of Borrower. Any advance by the Government as described in this paragraph shall bear interest at the note rate from the date on which the amount of the advance was due to the date of payment to the Government.

(5) All advances by the Government as described in this instrument, with interest, shall be immediately due and payable by Borrower to the Government without demand at the place designated in the note and shall be secured hereby. No such advance by the Government shall relieve Borrower from breach of his covenant to pay. Such advances, with interest, shall be repaid from the first available collections received from Borrower. Otherwise, any payment made by Borrower may be applied on the note or any indebtedness to the Government secured hereby, in any order the Government determines.

(6) To use the loan evidenced by the note solely for purposes authorized by the Government.

(7) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property and promptly deliver to the Government without demand receipts evidencing such payments.

(8) To keep the property insured as required by and under insurance policies approved by, delivered to, and retained by the Government.

(9) To maintain improvements in good repair and make repairs required by the Government; operate the property in a good and husbandmanlike manner; comply with such farm conservation practices and farm and home management plans as the Government from time to time may prescribe; and not to abandon the property, or cause or permit waste, lessening or impairment of the security covered hereby, or, without the written consent of the Government, cut, remove, or lease any timber, gravel, oil, gas, coal, or other minerals except as may be necessary for ordinary domestic purposes.

(10) If this instrument is given for a "Farm Ownership" loan as identified in Farmers Home Administration regulations, personally to operate the property with his own and his family labor as a farm and for no other purpose, and not to lease the property or any part of it, unless the Government consents in writing to some other method of operation or to a lease.

(11) To comply with all laws, ordinances, and regulations affecting the property.

(12) To pay or reimburse the Government for expenses reasonably necessary or incidental to the protection of the lien and priority hereof and to the enforcement of or the compliance with the provisions hereof and of the note or any supplementary agreement (whether before or after default), including but not limited to costs of evidence of title to and survey of the property, costs of recording this and other instruments, attorneys' fees, trustees' fees, court costs, and expenses of advertising, selling, and conveying the property.

(13) Neither the property nor any portion thereof or interest therein shall be assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. The Government shall have the sole and exclusive rights as mortgagee hereunder, including but not limited to the power to grant consents, partial releases, subordinations, and satisfaction, and no insured lender shall have any right, title or interest in or to the lien or any benefits hereof.

(14) At all reasonable times the Government and its agents may inspect the property to ascertain whether the covenants and agreements contained herein or in any supplementary agreement are being performed.

(15) The Government may extend and defer the maturity of and renew and reamortize the debt evidenced by the note (with the consent of the holder of the note when it is held by an insured lender) or any indebtedness to the Government secured hereby, release from liability to the Government any party so liable thereon, release portions of the property from and subordinate the lien hereof, and waive any other rights hereunder, without affecting the lien or priority hereof or the liability to the Government of Borrower or any other party for payment of the note or indebtedness secured hereby.

(16) If at any time it shall appear to the Government that the Borrower may be able to obtain a loan from a production credit association, a Federal land bank, or other responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes and periods of time, the Borrower will, upon the Government's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby and to pay for any stock necessary to be purchased in a cooperative lending agency in connection with such loan.

(17) Default hereunder shall constitute default under any other real estate or crop or chattel security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such other security instrument shall constitute default hereunder.

(18) SHOULD DEFAULT occur in the performance or discharge of any obligation secured by this instrument, or should any one of the parties named as Borrower die or be declared an incompetent, a bankrupt, or an insolvent, or make an assignment for the benefit of creditors, the Government, at its option, may: (a) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future law.

(19) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to the Government secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the property, the Government and its agents may bid and purchase as a stranger and may pay the Government's share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

(20) As against the debt evidenced by the note and any indebtedness to the Government hereby secured, with respect to the property, and to the extent permitted by law, Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent, dower, curtesy, homestead, valuation, appraisal, redemption, and exemption to which Borrower is or becomes entitled under the laws and constitution of the jurisdiction where the property lies.

(21) This instrument shall be subject to the present regulations of the Farmers Home Administration, and to its future regulations not inconsistent with the express provisions hereof.

(22) Notices given hereunder shall be sent by certified mail, unless otherwise required by law, addressed, unless and until some other address is designated in a notice so given, in the case of the Government to Farmers Home Administration, United States Department of Agriculture, at Columbia, South Carolina, and in the case of Borrower to him at his post office address stated above.

IN WITNESS WHEREOF, Borrower has hereunto set Borrower's hand(s) and seal(s) the day and year first above written.
