Now, I find as a matter of law and fact, that there is no contract, nor has there ever been a contract existing between Plaintiff and Defendant.

Now, upon motion of James E. Taylor, attorney for Flaintiff; IT IS ORDERED, that the R.M.C. Office of Greenville County, South Carolina vacate and strike from the records the purported mortgage or contract, or whatever grounds it may be called, upon the grounds that the same was not executed by the Plaintiff, nor was any authority given by her for any one to execute the same.

IT IS SO ORDERED.
