THE MORTGAGEE COVENANTS AND AGREES AS FOLLOWS:

- 1. That should the Mortgagor prepay a portion of the indebtedness secured by this mortgage and subsequently fail to make a payment or payments as required by the aforesaid promissory note, any such prepayment may be applied toward the missed payment or payments, insofar as possible, in order that the principal debt will not be held contractually delinquent.

Should any legal proceedings be instituted for the foreclosure of this mortgage, or should the Mortgagee become a party to any suit involving this Mortgage or the title to the premises described herein; or should the debt secured hereby or any part thereof be placed in the hands of an attorney at law for collection by suit or otherwise, all costs and expenses incurred by the Mortgagee, and a reasonable attorney's fee, shall thereupon become due and payable immediately or on demand, at the option of the Mortgagee, as a part of the debt secured thereby, and may be recovered and collected hereunder.
