

Unpaid principal, interest and other amounts due under the Note.

1. Payment of Principal and Interest. Borrower shall pay to Lender the principal amount of the Note and interest thereon at the rate or rates set forth in the Note, and the unpaid principal amount and any Future Advances received by the Mortgagor.

2. Funds for Taxes and Insurance. Subject to application by Borrower as set forth in section 10, Lender may apply to Lender's or the duly monthly installments of principal and interest payable under the Note, or the Note being satisfied, a sum of funds ("Funds") equal to one-twelfth of the annual taxes, insurance, and other charges levied over the Mortgage, and ground rents on the Property, plus one-twelfth of such premiums to be paid to Lender as aforesaid, plus one-twelfth of yearly premium installments for insurance coverage, plus real property taxes, and from time to time by Lender on the basis of assessments, and the same as otherwise set forth thereto.

The Funds shall be held in an account in the deposit office of a bank which are insured or guaranteed by a Federal or state agency, including Lender if such is such an institution. Lender shall apply the Funds to pay said taxes, assessments, insurance premiums and ground rents. In default of charge to said account, Lender may draw against said account or set up a judgment against the funds held by Lender, pay Borrower interest on the Funds and applicable law permits Lender to make such a charge. Borrower and Lender may agree in writing at the time of execution of this Mortgage that interest on the Funds shall be paid to Borrower, and unless such agreement is made or applicable law requires such interest to be paid, Lender shall not be required to pay Borrower interest on earnings on the Funds. Lender shall give to Borrower without charge, all the proceeds of the Funds, whether due and owing to the Lender and the purpose for which each debt to the Lender was made. The Funds are provided as additional security for the sums secured by this Mortgage.

If the amount of the Funds held by Lender together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, insurance premiums and ground rents shall exceed the amount required to pay said taxes, assessments, insurance premiums and ground rents as they fall due, such excess shall be at Borrower's option either promptly repaid to Borrower or credited to Borrower on account of the amount of Funds. If the amount of the Funds held by Lender shall not be sufficient to pay taxes, assessments, insurance premiums and ground rents as they fall due, Borrower shall pay to Lender any amount necessary to cover up the difference with the balance upon the date of issue as stated by Lender to Borrower requesting payment thereof.

Upon payment in full of all sums secured by this Mortgage, Lender shall promptly return to Borrower any Funds held by Lender. If under paragraph 1 above the Property is sold or the Property is otherwise acquired by Lender, Lender shall apply no later than immediately prior to the sale of the Property or its acquisition by Lender, any Funds held by Lender at the time of application as a credit against the sums secured by this Mortgage.

3. Application of Payments. Unless applicable law provides otherwise, all payments received by Lender under the Note and paragraphs 1 and 2 hereof shall be applied by Lender first to principal, then amounts payable to Lender by Borrower under paragraph 2 hereof, then to interest payable on the Note, then to the principal of the Note, and then to interest and to principal on Future Advances.

4. Charges; Liens. Borrower shall pay all taxes, assessments and other charges, fines and impositions attributable to the Property which may from time to time be levied by the Mortgagor and Lender on the amount of principal and ground rents of and in the manner provided under paragraph 2 hereof. If at any time after the Mortgagor fails to pay such taxes, Borrower may pay them when due directly to the payee thereof. Borrower shall promptly furnish to Lender a statement of the amount due under this paragraph, and in the event Borrower shall make payment thereof, Borrower shall be entitled to a credit on the amount so paid. Lender retains a security interest in such payments. Borrower shall promptly resubmit to Lender a statement of the amount so paid so that Borrower shall be required to discharge any such security. Borrower shall be entitled to deduct the payment of the obligations secured by such Lien in a manner acceptable to Lender and shall pay the amount so deducted to Lender in accordance with such hereinabove provided for, which payment to Lender shall be a credit on the amount due under this paragraph of the Property or any part thereof.

Lender shall not require that the amount of such coverage exceed the amount of the insurance required by the State of New York for this Mortgage.

The insurance carrier provided for in the policy of hazard insurance shall be approved by Lender, provided that such approval shall not be unreasonably withheld. All premiums and amounts payable shall be paid to the insurance provider under paragraph 2 hereof, except that payment may be made to Borrower for payment when due directly to the insurance carrier.

All insurance policies are subject to cancellation by Lender at any time during the term of the policy if the amount thereof and Borrower's obligations thereunder are not fully performed. In the event of loss, Borrower shall promptly furnish to Lender a statement of the amount so paid so that Lender may deduct the same from the amount due under this paragraph to Borrower.

Unless Borrower and Lender otherwise agree, the amount of insurance applied to liability for repair of the Property, damage to personal property, and other losses, shall be applied to the amount of the principal of this Mortgage, but the same is not to exceed the amount of the principal of the Note. If the amount of loss Borrower shall be entitled to deduct the amount so paid from the amount due under this paragraph to Lender.
