

Each new interest rate will become effective on each Interest Change Date, and each new Full Payment Amount will become effective on the first monthly payment date after the Interest Change Date.

**(B) Required Full Payment Amount**

I will pay the Full Payment Amount as my monthly payment beginning with my 61st monthly payment unless I choose to limit the amount of my monthly payment as permitted by Section 6 (A) below.

**5. GRADUATED MONTHLY PAYMENTS 1-60**

My first 12 monthly payments will each be in the amount of U.S. \$ 322.70. On each of the first four anniversaries of the date my first monthly payment is due, I will begin paying a new monthly payment which will be equal to the amount I have been paying multiplied by the number 1.075. I will pay the new amount of my monthly payment until it changes in accordance with this Section 5 or Sections 6 or 7 below.

**6. BORROWER'S RIGHT TO LIMIT AMOUNT OF REMAINING MONTHLY PAYMENTS**

**(A) Calculation of Graduated Monthly Payment Amount**

I may choose to limit the amount of my new monthly payment following an Interest Change Date if my new interest rate would cause the monthly payment I have been paying to increase by more than seven and one-half percent (7.5%). If I choose to limit the amount of my monthly payment, I must give the Note Holder notice that I am doing so at least 15 days before my first new monthly payment is due. When I do so, on the first monthly payment date after the Interest Change Date I will begin paying a new monthly payment which will be equal to the amount I have been paying each month for the preceding twelve months multiplied by the number 1.075. Thereafter, on each of the first four anniversaries of the new monthly payment date, my monthly payment will again increase by an amount equal to the amount I have been paying each month for the preceding twelve months multiplied by the number 1.075.

Even if I have chosen to limit my monthly payment, Sections 6(B), 6(C) and 7 below may require me to pay a different amount.

**(B) Reduced Monthly Payment Amount**

My graduated monthly payment calculated under Section 6(A) above could be greater than the amount of a monthly payment which then would be sufficient to repay my unpaid principal balance in full on the maturity date at my current interest rate in substantially equal payments. If so, on the date my paying a graduated monthly payment would cause me to pay more than the lower amount, I will instead then begin paying the lower amount as my monthly payment until the next Interest Change Date.

**(C) Increased Monthly Payment Amount**

My paying a graduated monthly payment calculated under Section 6(A) above could cause my unpaid principal balance to exceed the limit stated in Section 8(B) below. If so, on the date that my paying a monthly payment would cause me to exceed that limit, I will instead begin paying a new monthly payment until the next Interest Change Date. The new monthly payment will be in an amount which would be sufficient to repay my then unpaid principal balance in full on the maturity date at my current interest rate in substantially equal payments.

**7. FINAL MONTHLY PAYMENTS**

Beginning with the first monthly payment after the last Interest Change Date, I will pay the Full Payment Amount as my monthly payment.

**8. INCREASES IN THE PRINCIPAL AMOUNT TO BE PAID**

**(A) Additions to My Unpaid Principal Balance**

If I choose to pay a graduated monthly payment calculated under Section 6(A) above, my monthly payment could be less than the amount of the interest portion of a monthly payment which then would be sufficient to repay my unpaid principal balance in full on the maturity date at my current interest rate in substantially equal payments. If so, each month that the amount of my monthly payment is less than the interest portion, the Note Holder will subtract the amount of my monthly payment from the amount of the interest portion and will add the difference to my unpaid principal balance. The Note Holder will also add interest on the amount of this difference to my unpaid principal balance each month. The interest rate on the interest added to principal will be the rate required by Sections 2 or 4 (A) above.

**(B) Limit on My Unpaid Principal Balance**

My unpaid principal balance can never exceed a maximum amount equal to one hundred twenty-five percent (125%) of the principal amount I originally borrowed.

**9. NOTICE OF CHANGES**

The Note Holder will mail or deliver to me a notice of any changes in the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice."

**B. CHARGES; LIENS**

Uniform Covenant 4 of the Security Instrument is amended to read as follows:

**4. Charges; Liens.** Borrower shall pay all taxes, assessments, and other charges, fines and impositions attributable to the Property which may attain a priority over this Security Instrument, and leasehold payments or ground rents, if any, in the manner provided under paragraph 2 hereof or, if not paid in such manner, by Borrower making payment, when due, directly to the payee thereof. Borrower shall promptly furnish to Lender all notices of amounts due under this paragraph, and in the event Borrower shall make payment directly, Borrower shall promptly furnish to Lender receipts evidencing such payments. Borrower shall promptly discharge any lien which has priority over this Security Instrument; provided, that Borrower shall not be required to discharge any such lien so long as Borrower: (a) shall agree in writing to the payment of the obligation secured by such lien in a manner acceptable to Lender; (b) shall in good faith contest such lien by, or defend against enforcement of such lien in, legal proceedings which in the opinion of Lender operate to prevent the enforcement of the lien or forfeiture of the Property or any part thereof; or (c) shall secure from the holder of such lien an agreement in a form satisfactory to Lender subordinating such lien to this Security Instrument.

If Lender determines that all or any part of the Property is subject to a lien which may attain a priority over this Security Instrument, Lender shall send Borrower notice identifying such lien. Borrower shall satisfy such lien or take one or more of the actions set forth above within ten days of the giving of notice.
