24. WAIVER OF MARSHALLING. Notwithstanding the existence of any other security interests in the Property held by Lender or by any other party, Lender shall have the right to determine the order in which any or all of the Property shall be subjected to the remedies provided herein. Lender shall have the right to determine the order in which any or all portions of the indebtedness secured hereby are satisfied from the proceeds realized upon the exercise of the remedies provided herein. 25. CONSTRUCTION LOAN PROVISIONS. Borrower agrees to comply with the covenants and conditions of the Construction Loan Agreement, which is hereby incorporated by reference in and made a part of this Instrument. All advances made by Lender pursuant to the Construction Loan Agreement shall be indebtedness of Borrower secured by this Instrument, and such advances may be obligors as provided in the Construction Loan Agreement. All sums disbursed by Lender prior to completion of the improvements to protect the security of this Instrument up to the principal amount of the Note shall be treated as disbursements pursuant to the Construction Loan Agreement. All such sums shall bear interest from the date of disbursement at the rate stated in the Note, unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law and shall be payable upon notice from Lender to Borrower requesting payment thereon.

From time to time as Lender deems necessary to protect Lender's interests, Borrower shall, upon request of Lender, execute and deliver to Lender, in such form as Lender shall direct, assignments of any and all rights or claims which relate to the construction of the Property and which Borrower may have against any party supplying or who has supplied labor, materials or services in connection with construction of the Property. If, after the commencement of amortization of this Instrument and before the remedies provided in paragraph 27 hereof, or if and after such sale the Construction Loan Agreement shall cease to be a part of the Note, the Note and this Instrument are sold by Lender, to an and after such sale the Construction Loan Agreement shall cease to be a part of this Instrument and Borrower shall not assert any right of set off, counterclaim or other claim or defense arising out of or in connection with the Construction Loan Agreement against the obligations of the Note and this Instrument.

26. ASSIGNMENT OF RENTS, APPOINTMENT OF RECEIVER, LENDER IN POSSESSION. As part of the consideration for the indebtedness evidenced by the Note, Borrower hereby assigns and shall assign and transfer to Lender all the rents and revenues of the Property, including those now due, past due, or to become due by virtue of any lease or other agreement for the occupancy or use of all or any part of the Property, regardless of as whom the rents and revenues of the Property are payable. Borrower hereby authorizes Lender or Lender's agents to collect the aforesaid rents and revenues and herein directs each tenant of the Property to pay such rents to Lender or Lender's agents, provided, however, that prior to written notice given by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this instrument, Borrower shall collect and receive the rents and revenues of the Property as trustee for the benefit of Lender and Borrower, to apply the rents and revenues so collected to the sums secured by this instrument in the order provided in paragraph 1 hereof, with the balance, so long as no such breach has occurred, to the account of Borrower, it being intended by Borrower and Lender that this assignment of rents constitutes an absolute assignment and not an assignment for additional security only upon delivery of written notice by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this instrument, and without the necessity of Lender entering upon and taking and holding of any property of the Property in person, by agent or by a court appointed receiver, Lender shall immediately be entitled to possession, maintaining full control of the Property in person, by agent or by a court appointed receiver, Lender shall immediately be entitled to possession of all rents and revenues of the Property as specified in this paragraph 26 as the same become due and payable, including but not limited to rents then due and unpaid, and all such rents shall immediately upon delivery of such notice be held by Borrower as trustee for the benefit of Lender only, provided, however, that the written notice by Lender to Borrower of the breach by Borrower shall contain a statement that Lender exercises its rights to such rents. Borrower agrees that commencing upon delivery of such written notice of Borrower's breach by Lender to Borrower, each tenant of the Property shall make such rents payable to and pay such rents to Lender or Lender's agents on Lender's written demand to each tenant thereon, delivered to each tenant personally, by mail or by delivery to such demand to each rental unit, without any liability on the part of such tenant to inquire further as to the existence of a default by Borrower.

Borrower hereby covenants that Borrower has not executed any prior assignment of, and rents, that Borrower has not performed, and will not perform, any acts or has not executed, and will not execute, any instrument which would prevent Lender from exercising its rights under this paragraph 36, and that at the time of execution of this Instrument there has been no arrearage in the payment of any of the rents of the Property paragraph 36, and that Borrower covenants that Borrower will not hereafter collect or accept payment for more than two months prior to the due dates of such rents. Borrower covenants that Borrower will not hereafter collect or accept payment for any rents of the Property more than two months prior to the due dates of such rents. Borrower further covenants that Borrower will execute and deliver to Lender such further assignments of equity and revenues of the Property as Lender may from time to time require.

Upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Lender may in person, by agent or by a court appointed receiver, regardless of the adequacy of Lender's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Instrument. In the event Lender elects to seek the appointment of a receiver for the Property upon Borrower's breach of any covenant or agreement of Borrower in this Instrument, Borrower hereby expressly consents to the appointment of such receiver. Lender or the receiver shall be entitled to receive a reasonable fee for so managing the Property.

All rents and revenues collected subsequent to delivery of written notice by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in this instrument shall be applied first to the costs, if any, of taking control of and managing the Property and collecting the rents, including, but not limited to, attorney's fees, receiver's premiums or receiver's bonds, costs of repair to the Property, premiums on insurance policies, taxes, assessments and other charges on the Property, and the costs of discharging any obligation or liability of Borrower or insurance policies, taxes, assessments and other charges on the Property, and then to the rents secured by this instrument. Lender or the receiver shall have access to the books and as lessor or landlord of the Property and then to the rents secured by this instrument. Lender or the receiver shall have access to the books and records used in the operation and maintenance of the Property and shall be liable to pay interest on the rents actually received. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Property, for reasons of whatever nature, or for loss and/or damage sustained by Lender under this paragraph 20.
