

ADJUSTABLE RATE RIDER

(1 Year Index — Interest Rate and Payment Cap)

THIS ADJUSTABLE RATE RIDER is made this 31 day of August, 1984 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Document (the "Security Instrument") of the same date given by the undersigned (the "Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to Security Federal Savings and Loan Association of South Carolina (the "Lender") of the same date and covering the property described in the Security Instrument and located at:

Lot #134 Doverdale Road, Brookfield S/D, Greenville, S. C. 29615
[Property Address]

THE NOTE CONTAINS PROVISIONS ALLOWING FOR CHANGES IN THE INTEREST RATE AND THE MONTHLY PAYMENT. THE BORROWER MAY LIMIT MONTHLY PAYMENT INCREASES TO 7½% EACH YEAR IF THE PROVISIONS OF THE NOTE PERMIT IT.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for an initial interest rate of 11.53%. The Note provides for changes in the interest rate and the monthly payments, as follows:

4. INTEREST RATE AND MONTHLY PAYMENT CHANGES; BORROWER'S RIGHT TO LIMIT PAYMENT

(A) Change Dates

The interest rate I will pay may change on the first day of September, 1984, and on that day every 12th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the weekly average yield on United States Treasury securities adjusted to a constant maturity of 1 year, as made available by the Federal Reserve Board. The most recent Index figure available as of the date 45 days before each Change Date is called the "Current Index."

If the Index is no longer available, the Note Holder will choose a new index which is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding two and one half percentage points (2.50%) to the Current Index. The Note Holder will then round the results of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Change Date; PROVIDED that the change does not increase the interest rate above the maximum interest rate set out in Section 2 of this Note; PROVIDED FURTHER that the Said change in my interest rate, after rounding to the nearest one-eighth of one percentage point (0.125%), shall never increase or decrease my interest rate more than two percentage points (2.0%) at any one Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the maturity date at my new interest rate in substantially equal payments. The result of this calculation is called the "Full Payment." It will be the new amount of my monthly payment unless I choose the amount permitted by Section 4(F) below.

(D) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

(E) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

(F) Borrower's Right to Limit Monthly Payment

Unless Sections 4(H) and 4(I) below will not permit me to do so, I may choose to limit the amount of my new monthly payment following a Change Date to the amount I have been paying multiplied by the number 1.075. This amount is called the "Limited Payment." If I choose a Limited Payment as my monthly payment, I must give the Note Holder notice that I am doing so at least 15 days before my first new monthly payment is due.

(G) Additions to My Unpaid Principal

If I choose to pay the Limited Payment, my monthly payment could be less than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid principal I owe at the monthly payment date in full on the maturity date in substantially equal payments. If so, each month that the Limited Payment is less than the interest portion, the Note Holder will subtract the Limited Payment from the amount of the interest portion
