

SOUTH CAROLINA  
GREENVILLE County.

By instructions received from Gen. J. W. Gray, Master  
I have surveyed the tract of land referred to in the  
case of Williams vs. Williams, it being the land set  
apart in the will of John B. Williams to his daughter  
Nancy Williams Stewart and Louisa Williams  
Poozer, and find said tract to contain 105 acres.  
I have divided said land into two tracts, No. 1,  
which is the homestead, contains 53 1/2 acres; No. 2  
contains 51 1/2 acres, situated in Darwin Township,  
State and County named above.
