

Scale 10 chs. per inch.

W. D. Southern

State of South Carolina
County of Greenville

Pursuant to request of O. Bramlett I surveyed for him this day all that piece parcel or tract of land situate lying and being in this State and County of aforesaid on both sides of Uris Creek being tributary waters of Saluda River and of which the above plat is a true representation except the dotted lines from a P.O. 3x on mt. (now a stone) to a Pine 3x on mt. on mt. The inside or red line shows one line surveyed; the outside or blue line shows another line surveyed; and the black line a straight course between those two points. That is to be an agreed line, but parties are not yet agreed when they do the Surveyor will indicate which of the above agreed to by both parties.

Surveyed this 8th day of April 1905 at. Will D. Mever Surveyor.
