ORDER

It has been brought to the court's attention that orders for bail submitted by attorneys occasionally contain incorrect warrant numbers. The court is further informed that the Greenville County Detention Center will not honor an order for bail without correct warrant numbers. It is therefore ordered that the Clerk of Court, or his designee, is hereby authorized to correct any typographical or scrivener's error concerning warrant numbers placed on the order for bail. This authority is limited to the correction of warrant numbers. The clerk shall not add or remove any charges or otherwise alter the orders for bail.

AND IT IS SO ORDERED.
