**Affidavit**

As the affiant, I have a duty to disclose all heirs (blood relatives or legally adopted children) of the above estate and to list those individuals on the Application for Probate (Form #300PC). Upon the Court's informal review of the decedent's obituary, it contained names that were not listed on the probate application. The following names were listed in the obituary in observance of their close family-type relationship to the decedent. However, to the best of my knowledge, they are not related by blood to the decedent:

As such, I affirm that the above names were listed in the obituary for the following reason(s):

- Names listed were the decedent's step children only
- Names listed were not biological children or formally adopted by the decedent
- Names listed were foster children who were not adopted
- Names listed were considered special family/friends that were not blood relatives
- Name listed as spouse but the parties were never married neither by a marriage license nor by common law, to the best of my knowledge.
