

CAMP Animal Care BEHAVIOR GUIDELINES

Out of fairness and respect for all involved in Camp, we have a behavior expectation policy. Guidelines for expected behavior are as follows:

- Show respect for the animals, yourself, other campers, and Camp staff and volunteers.
- Listen to directions.
- Follow directions.
- No screaming, yelling, or swearing allowed.

Consequences for choosing not to behave as listed above include:

- First violation will result in a formal verbal warning to be documented by camp staff.
- Second violation will warrant a Time Out Notice and a note home to be signed by parent or guardian and returned the next camp day.
- Upon the third violation, the Camp Director will set up a meeting with parent or guardian, and possible expulsion from camp may result.

**If a child is removed from camp for behavior guideline violations, no refunds will be offered.*

I, _____, parent/guardian of
_____, have reviewed with my child the above behavior expectation guidelines. My child agrees to adhere to these guidelines and understands that failure to do so will result in the consequences listed above.
