

TRAP-VACCINATE-ALTER-RETURN (TVAR) SUPPORT

Citizens can rent traps from Greenville County Animal Care for a \$60 deposit. This deposit is held in the event the trap is not returned so that Greenville County Animal Care can replace it. Traps are subject to availability and only two can be rented at a time.

Trapped cats can be turned over to Greenville County Animal Care under their Free Roaming Cat program and be vaccinated and spayed/neutered. These cats can be picked back up by the trapper the following day.
