CARES
COVID-19 FEDERAL FUNDING PROGRAM

\$91 MILLION
IN COVID-19 RELIEF FOR
GREENVILLE COUNTY

COVID-19: FEDERAL RESPONSE AND GREENVILLE COUNTY

CARES ACT (H.R. 748)

FEDERAL GRANT PROGRAM

\$2.2 trillion aid package that provides financial aid to families, governments, and businesses impacted by the COVID-19 public health crisis, including:

- » \$290 billion in direct payments to eligible taxpayers
- » \$260 billion in expanded unemployment insurance
- » **\$150 billion for state and local governments**
- » \$510 billion in expanded liquidity lending for businesses and local governments
- » \$377 billion in new loans and grants for small businesses
- » \$127 billion for hospitals for ventilators and other equipment

CARES ACT GUIDANCE FOR LOCAL GOVERNMENTS

The CARES Act may only be used to cover costs that:

1. are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
2. were not accounted for in the budget most recently approved as of March 27, 2020;
3. were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020.

Necessary expenditures incurred due to COVID-19:

- » Expenses incurred to allow the County to respond directly to the emergency (medical or public health needs – PPE, Equipment, Responder Testing)
- » Expenditures incurred to respond to second-order effects, such as providing economic support due to employment or business interruptions due to COVID-19 related business closures
- » Costs not accounted for in the most recent budget

***Funds may not be used for revenue replacement**

Examples (non-exclusive):

- » Medical Expenses (testing, Telehealth, EMS response expenses)
- » Public Health (protective supplies, communication, disinfection/cleaning of facilities, quarantining individuals, public safety measures)
- » Payroll Expenses for public safety, public health, health and human service care employees whose services are substantially dedicated to mitigating or responding to the COVID-19 public health emergency
- » Expenses to facilitate compliance (food delivery for seniors/vulnerable populations, distance learning, teleworking, paid sick/medical leave to public employees, social distancing measures, homeless care)
- » Economic support (grants to small businesses to reimburse costs of business interruption, County payroll support program, unreimbursed health insurance costs)
- » Any other COVID-19 related expenses reasonably necessary to the function of government that satisfy the fund's eligibility criteria

Nonexclusive examples of ineligible expenditures:

- » Medicaid expenses
- » Damages covered by insurance
- » Payroll or benefit expenses for employees whose work duties are not substantially dedicated to mitigating or responding to COVID-19
- » Expenses that have been or will be reimbursed under another Federal program
- » Reimbursement for donated items/services
- » Workforce bonuses
- » Severance pay
- » Legal settlements

MARKETING & COMMUNITY OUTREACH

CARES ACT PAID CAMPAIGNS

Approximately \$150,000 was invested in print and digital marketing campaigns that succeeded in generating awareness among all Greenville County citizens. Three major campaigns launched in 2020.

SMALL BUSINESS GRANT CAMPAIGN

Duration: July 6 - July 30, 2020

Objective: Notify small business owners in Greenville County about the availability of \$75 Million in CARES Act Funding and encourage grant applications.

Audience: Small business owners in all geographic areas and demographic audiences.

LOVE YOUR NEIGHBOR CAMPAIGN

Duration: June 26 - August 15, 2020

Objective: Reduce the number of COVID-19 cases in Greenville County, which had spiked above the national average. Raise awareness as to the importance of wearing a mask, keeping socially distant and washing hands.

Audience: All Greenville County citizens.

HEALTHY HOLIDAYS CAMPAIGN

Duration: November 22 - December 31, 2020

Objective: Reduce the number of COVID-19 cases in Greenville County and prevent a probable spike during the holidays.

Audience: All Greenville County citizens and their visiting family members.

RADIO

Two 4-week market saturation plans had the message being broadcast on 8 of the top 10 rated radio stations in the Greenville-Spartanburg market and other outlets with specifically targeted audiences. All four radio ownership groups were included. Advertising consisted of 30 second commercials, dedicated DJ live reads, and use of radio station's social media and digital assets. County staff and elected leaders also made live appearances to discuss the campaigns. These stations were all utilized for Small Business and Love Your Neighbor campaigns, and several were used for Healthy Holidays.

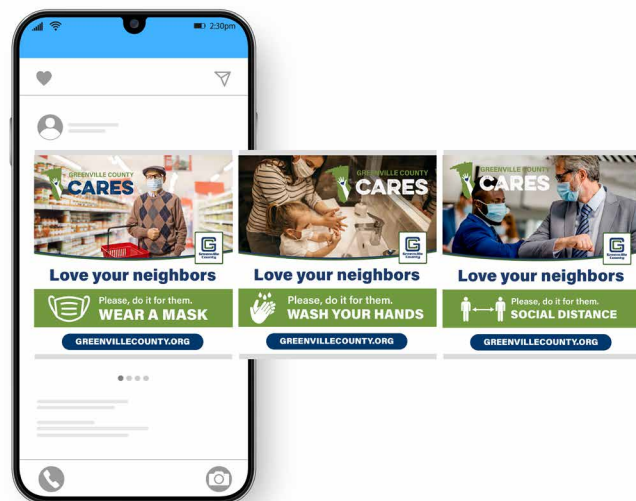

Station (Format)	Rating (# weekly listeners)	Key Demographics (age/race)
WJMZ-FM (Jamz)	7.9 (123,000)	25+/80% African- American
WSSL-FM (Whistle 100)	6.1 (110,000)	45+/White
WYRD-FM (talk)	5.2 (105,000)	35+/White
WROQ-FM (Rock 101)	5.2 (105,000)	35+/White
WFBC-FM (B 93.7)	5.1 (104,000)	18-45/10% African-American
WRTH (EARTH)-FM (Hits)	4.5 (92,000)	35+/White
WHTZ-FM (Hot 98.1)	3.7 (84,000)	25+/20% African-American
WGXT-FM (talk)	3.1 (80,000)	45+/White
Rejoice-96.9FM (gospel/inspiration)	unavailable	25+/90% African-American

SOCIAL MEDIA

An aggressive social media campaign executed by the County hit key zip code demographics. Local businesses were also targeted. Key stakeholders partnered in sharing campaigns. Audiences were reached through Facebook, Twitter and Instagram.

BILLBOARDS

Digital billboards were placed on all available locations within the City of Greenville and County of Greenville to reach the desired demographics. This aggressive ad buy was used for all three campaigns.

Digital Locations: 14 | Total Impressions: 20,897,719

SPANISH LANGUAGE MEDIA

UNICOMM is an Upstate Spanish language media buy/marketing outlet. The County used the expertise and translation skills of this outlet to purchase air time on Spanish language radio, created proper billboard messaging, and do an extensive social media campaign. The overall campaigns generated 500,000 impressions digitally, reaching more than 20,000 Hispanic people in Greenville County. Specific text copy for all radio ads was created with cultural awareness.

Radio Copy:

"Todos Sabemos la importancia de un abrazo, un apretón de manos y de compartir en nuestra comunidad. Pero desafortunadamente, los casos positivos de COVID-19 en muchas de nuestras comunidades del área de 'Greenville' están en aumento. Si estamos dispuestos a usar máscaras, mantener sana distancia y manos limpias - la propagación del virus retrocedería y, muy probablemente, podríamos salvar una vida o dos. Hacer estos 3 pasos simples mantendrá sano a ti y a tu comunidad."

"We all know the importance of a hug, a handshake, and sharing in our community. But unfortunately, positive cases of COVID-19 in many of our Greenville area communities are on the rise. If we are willing to wear masks, keep social distancing and clean our hands - the spread of the virus would reverse, and, very likely, we could save a life or two. Doing these three simple steps will keep you and your community healthy. Greenville County Cares."

SPANISH BILLBOARDS

5 print/vinyl billboards were purchased in select zip codes with high Spanish speaking populations.

Total Impressions: 1,256,016

COMMUNITY OUTREACH

County staff made presentations to the following community organizations, alerting leaders to the availability of the funds and answering questions about how they can be used.

GREENVILLE COUNTY
CARES

COVID-19 FEDERAL FUNDING PROGRAM

**GREENVILLE COUNTY CARES
PROGRAM**

GREENVILLE COUNTY CARES PROGRAM

Greenville County received \$91 million of the Federal CARES Act money to provide relief directly related to the COVID-19 pandemic in our community. In June 2020, County Council approved a comprehensive CARES program to ensure that funding was disbursed in the most efficient and impactful way. The program was developed to provide funding to businesses, nonprofits, public health organizations, local governments, housing agencies, special purpose districts, and Greenville County related agencies.

Greenville County implemented an extensive advertising campaign to make the public aware of the CARES Act funding that would be available, which included a webpage on the Greenville County website. The CARES website was developed as a centralized location for information that was continually updated with any changes made to programs. Full lists of all grant recipients were provided to maintain transparency throughout the program.

County Council remained informed about the progress of the CARES program with weekly updates. This allowed Council the opportunity to be nimble in addressing the ever changing needs of the community as new challenges arose due to the COVID-19 pandemic. Collaboration with community leaders, organizations, and individuals played a crucial part in the success of the program.

In partnership with numerous organizations, the Greenville County CARES program was able to successfully disburse the allocated \$91 million. This accomplishment allowed for immediate needs to be addressed in our community in areas such as food insecurity, housing, childcare, education, technology, medical/health, and others.

The funding was allocated into the following programs:

- **Community Health Grant Program**
- **Small Business and Minority Business Grant Program**
- **Nonprofit Grant Program Phase I & II**
- **Hospitality COVID Compliance Grant Program**
- **Housing & Utility Assistance Program**
- **Child Care Assistance Program**
- **Municipal Government Grant Program**
- **Special Purpose District Grant Program**
- **County Related Agency Grant Program**
- **County Government Fund**

GREENVILLE COUNTY CARES SUMMARY

Community Health Grants	\$37,382,890.17
County Government	\$27,057,281.90

County Related Agency Grants	\$2,575,124.00
Rental/Housing Assistance Program - GCRA	\$2,000,000.00
Nonprofit Grant Program Phase I and Phase II	\$1,606,673.00
Municipal Government Grants	\$1,460,176.00
Childcare Program - Greenville First Steps	\$1,445,956.91
Special Purpose District Grants	\$310,709.00

GREENVILLE COUNTY CARES ALLOCATION

\$91,354,041.70

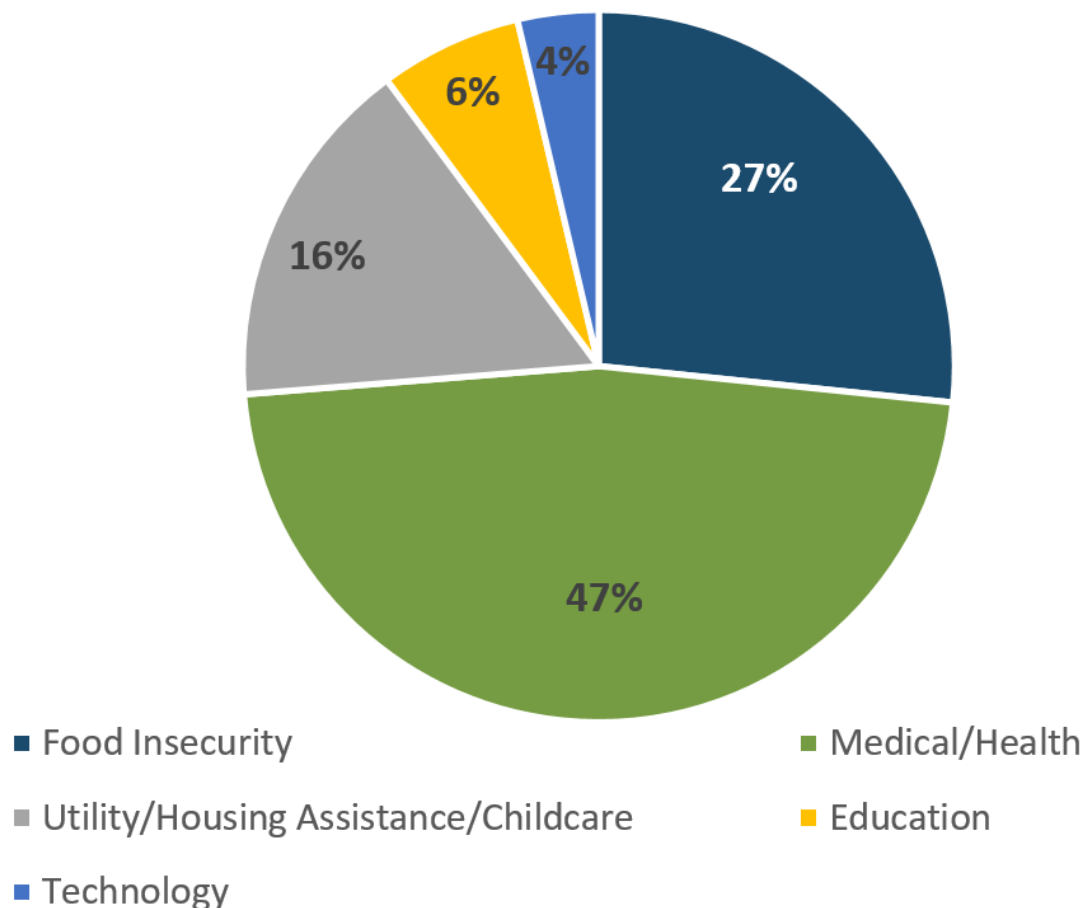

COMMUNITY HEALTH GRANT PROGRAM

COMMUNITY HEALTH GRANT PROGRAM

County Council approved a portion of the Federal CARES funds to be allocated toward efforts in the public/community health arena. This segment of funding became the largest allocation out of the \$91 million. As a result of innovative thinking and collaboration, Greenville County CARES disbursed more than \$37 million through Community Health Grants. Council unanimously supported reallocations made as funding was quickly moved from other funding categories to meet needs in community health. The primary areas of impact funded through the Community Health grant program included the following: Medical/Health Expenses, Food Insecurity, Utility/Housing Assistance/Childcare, Education, and Technology (see chart below for details).

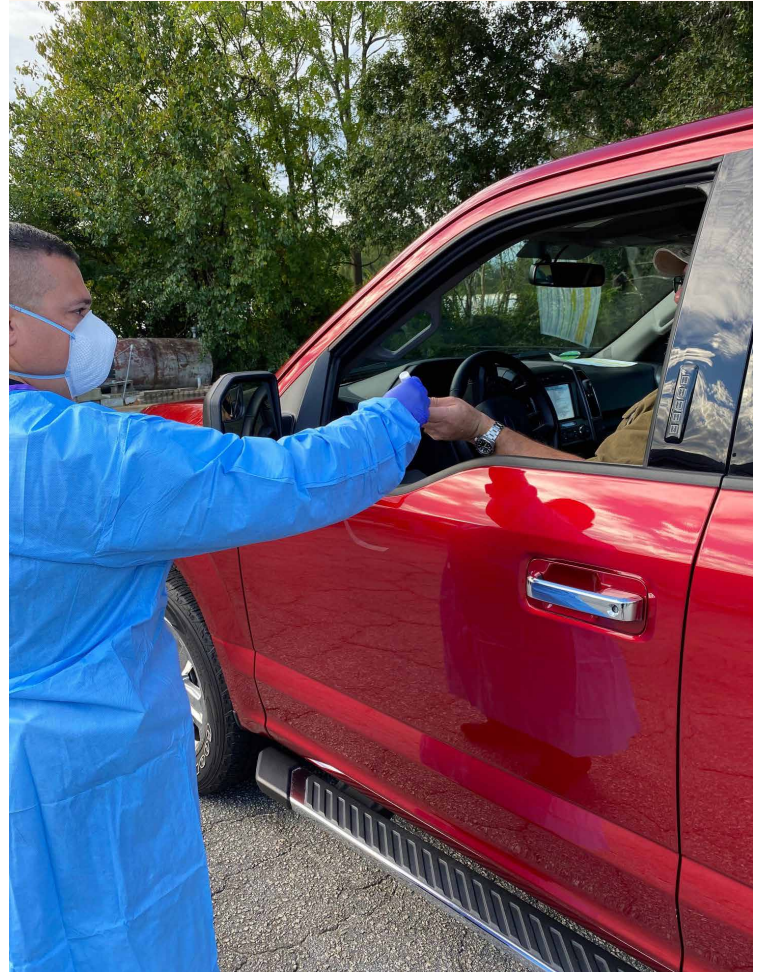

This program was available to medical facilities, public health organizations, and local nonprofits caring for and providing service for vulnerable populations who have experienced unforeseen expenses due to COVID-19.

These Federal funds were used to offset expenses associated with efforts related to addressing community and public health needs. Some examples include expanded meal delivery services, patient care and testing, convalescent care, homeless care, food pantries, mental health and drug/alcohol treatment.

The program was a competitive grant process as it became the focal point for organizations making larger funding requests. Greenville County collaborated with a number of local organizations to assess community needs and assist in providing quick and impactful solutions. This program offered funding to help address emergent needs through existing programs as well as new programs created that will have a long lasting impact on those vulnerable populations most affected by COVID-19.

See a full list of Community Health Grant recipients and descriptions on page 19-27.

"On behalf of the District 1 PTA Board, I want to thank you again for the CARES Act grant we were awarded! Your generosity allowed us to provide \$10,000 each to 98 schools and centers of education throughout Greenville County, and the impact has been extraordinary."

Kristina Bailey, Dist. 1 PTA

"I think our staff, and the nonprofit community in particular, have done a really good job of being innovative, trying to come up with impactful programs that would really get the money to the people where it's needed."

Liz Seman, Greenville County Council

Workers prepare meals at Larkin's Sawmill Wednesday, November 11, 2020. Euphoria Greenville distributed \$500,000 in funds from the CARES Act to restaurants and nonprofits around Greenville to provide meals to the needy. For six weeks, Larkin's will be making 3,370 meals each week for Greenville County Schools' backpack program. **MATT BURKHARTT/Staff**

COMMUNITY HEALTH GRANT RECIPIENTS

Organization	Grant Funds Awarded	Grant Description
Mental Health America Greenville in partnership with NAMI, Phoenix Center, & Prisma - Crisis Stabilization Center and Crisis Helpline Expansion	\$6,207,310	Funding awarded for implementation of a Crisis Stabilization unit due to the number of calls that have increased with COVID. Saw a 40% increase in calls on the crisis hotline. Funding was allocated to equip the building with technology to meet the the needs and increase capacity of calls being answered. A back-up phone system was included in this award.
Greenville County Schools - Community Feeding Program	\$5,916,364	Funding was allocated for a feeding program that targeted Greenville County students and their families, ensuring those families considered at-risk received assistance.
Prisma Health System - Capital Needs of COVID Patients	\$3,751,401	Funding was provided for COVID related expenses incurred by the hospital system, including equipment, testing costs, PPE, and other costs, to ensure the safety of frontline healthworkers and patients.
Bon Secour St. Francis Hospital	\$3,069,302	Reimbursement of non-labor operational expenses and supplies, including pharmaceutical supplies, respiratory products, laboratory supplies, outsourced testing costs, medical/surgical supplies, personal protective equipment (PPE) for COVID use, COVID room modification, installation of infection control barriers, and air scrubbers.
Greenville First Steps in partnership with the YMCA - School Aged Care Program	\$2,667,000	Funding used for School Aged Childcare in response to the impact COVID-19 had on in-person school attendance. Expenses include: center recruitment and equipping, center enrichment and support (training, program enhancement etc), parent recruitment and support, and workforce assistance (scholarship opportunities for lower income households). The program provided access to childcare for working families, allowing families to continue to work while the Greenville County School District operated on the e-learning and/or hybrid model.

Organization	Grant Funds Awarded	Grant Description
United Way of Greenville County: Utility Relief Fund	\$2,500,000	Funding awarded for rent/utility assistance program for low income families who were in arrears on rent and utility bills due to the impact of COVID.
Prisma Health - COVID vaccine strategy	\$1,868,596	Funding was awarded to support the implementation of a COVID mobile vaccine strategy in Greenville County through Prisma Health System. The program allowed for vulnerable populations to gain access to the COVID-19 vaccine.
LiveWell Greenville	\$1,150,048	Grant funds toward a collaborative effort between the following agencies in their specific expanded needs directly related to the COVID-19 pandemic: Harvest Hope Food Bank, Hispanic Alliance, LiveWell Greenville, Loaves and Fishes, Maranatha Farms, Meals on Wheels, Mill Community Ministries, Prisma Health: Accountable Communities, Sustaining Way and Upstate Circle of Friends. The goal of the collaboration was to address food insecurity due to COVID in Greenville County. LiveWell managed and awarded mini grants to local organizations to restock food pantries from the CARES funding.
Greenville Transit Authority	\$1,057,203	Funding awarded for purchase of COVID compliant bus shelters, as well as the installation of touchless/ low contact payment system in buses that will decrease the risk COVID-19 spread.
District 1 PTA	\$980,000	Funding was provided to each PTA within the Greenville County School District for purchases of additional supplies, PPE, sanitization, etc to maintain safety and COVID compliance.
Local Boys Do Good	\$956,000	Funding was provided for the implementation of a food box program to feed vulnerable populations in local non-profits, shelters, and the Greenville County School District.
Peace Center	\$881,023	Funding was awarded for building modifications to meet COVID compliance guidelines, including the purchase and installation of bipolar ionization system.

Organization	Grant Funds Awarded	Grant Description
Greenville Housing Fund - Landlord Assistance Program & Rent/Utility Assistance Program	\$693,250	Funding was awarded for a landlord assistance program which provided rent/utility assistance for renters unable to pay bills due to impact of COVID. The funding also addressed eviction needs in the community that were due to the financial impacts of COVID-19 on individuals.
YMCA of Greenville	\$566,255	Funds were allocated for an emergency food box program to reach families in need at nine of the local area motels. These families are among the most vulnerable in our community and are considered homeless. Due to COVID and limited access, meals were delivered as a weekly box or bag to approximately 100 families. Books, activities, baby needs, etc. were also provided through this program. The program includes reimbursement for childcare expenses for emergency/first responders and of bipolar ionization units.
ReGrow SC	\$500,000	Funding was awarded for a food box program to serve vulnerable populations through local non profits, shelters, and other organizations.
Bob Jones University	\$434,177	Funding covered reimbursement of COVID related purchases, including masks for student and staff/ faculty, as well as costs to deploy a chat-bot surveillance checker for symptoms of COVID-19. The program provides passes to enter work and class as well as connects with Prisma Health for testing if symptoms are detected. Includes building modifications to enhance social distancing and COVID compliance.
The Blood Connection in collaboration with Piedmont Health Foundation	\$417,867	Funds were provided for equipment for the collection of convalescent plasma. Funds were also provided for identification and recruitment of convalescent plasma donors including, Alyx collection devices for collection of convalescent plasma on bloodmobiles and Trima collection device for collection of convalescent plasma in donor center. The program also provided funding for identification and recruitment of recovered convalescent plasma donors for CCP program.

Organization	Grant Funds Awarded	Grant Description
The Children's Museum of the Upstate	\$340,205	Projected costs will cover making TCMU as touchless as possible per COVID guidelines. Costs include touchless admissions system, hand sanitizing stations, masks, monitors, computers, etc., for virtual programming, bill paying, etc. A portion will also allow TCMU to purchase additional exhibit props to allow for better sanitation and disinfecting of exhibits per COVID. The program also includes cleaning and sanitization expenses, as well as rent/utilities for the months TCMU was forced to close.
Greenville Free Medical Clinic	\$271,401	Funding was awarded for telehealth technology that allows for uninsured patients to receive treatment while maintaining social distance. This specialized technology also tracks COVID positive patients within hospital systems for better reporting.
Senior Action	\$260,122	Funding was awarded for an emergency meal program for seniors of Greenville County. Expenses include packaging and distribution of meals and funding for outdoor modifications to enhance social distancing.
Project CONNECT/ Greenville County Schools	\$248,148	Funding was awarded to address the county-wide need for better access to Wifi in order for students to be able to participate in e-learning. This includes basic costs to deploy the technology, replace, and improve upon the 42 Wi-Fi enabled buses employed in the "dead zones."
PASO's Program through Prisma Health	\$229,530	Funding will support the minimal upfit of an office space at COPA Indoor Soccer for Hispanic community health outreach, capacity building related to the program, medical clinic supplies, medication and transportation support when needed, operational needs to run the community clinic, and facilities and administrative expenses.
Expansion of Greenville County Resource Line (211)	\$205,935	Funding was allocated for expansion and capacity building of the 2-1-1 hotline service due to increased number of COVID related requests.

Organization	Grant Funds Awarded	Grant Description
Project HOPE Foundation	\$177,172	Funding was provided for purchase a 29-Children Passenger School Bus to accommodate the additional bus routes created by the new protocols to slow the spread of COVID-19. PHF must enforce social distancing on the buses as some of the clients are not able to wear masks because of their autism spectrum disorder. The addition of a bus will increase the number of children who can be safely transported to and from Hope Academy each day. Funding was also allocated toward technology, remote working, and building modifications for COVID compliance.
United Housing Connection - Temporary COVID-19 Quarantine Shelter	\$157,000	Funding was provided for a temporary COVID quarantine shelter to house COVID positive individuals in the homeless population of Greenville County.
Upstate Circle of Friends	\$142,800	Funding was awarded for emergency food assistance program for African American seniors in Greenville County. Expenses include food, distribution packaging, warmers, delivery costs, and COVID-19 cleaning supplies.
Gateway	\$123,722	Funding allows for an emergency meal delivery program while organization has been unable to open the cafeteria to members due to COVID. Expenses also include PPE, sanitization needs, purchase of a vehicle for meal delivery and transportation of members for medical needs, etc.
Public Education Partners	\$115,000	Funding was awarded for distribution of books to K-5 students and families during summer with limited access due to COVID.
Safe Harbor, Inc.	\$113,282	Funding was awarded for the process of moving all client information onto a digital platform. It also funded costs of hotel rooms for domestic violence victims to allow for more social distancing in current shelters.

Organization	Grant Funds Awarded	Grant Description
The Warehouse Theatre	\$112,331	Funding was allocated for the purchase of bipolar ionization units, hand sanitization stations, and adapted cleaning/sanitization cleaning process due to COVID. It also included touchless fixtures and remote working technology.
Furman University	\$104,668	Funding was provided for the purchase of PPE, cleaning/sanitization processes, etc to allow for students and faculty to safely return to campus. The expenses will continue as the university moves into the Fall semester.
Project Host	\$92,000	Funding was awarded for food program provided in a local soup kitchen. Client numbers have increased due to COVID. Expenses include food costs, PPE, and cleaning procedures to allow for safety of clients and staff.
Meals on Wheels of Greenville Inc.	\$90,000	Funding for Emergency Meal kits for homebound individuals in Greenville County. This is additional assistance provided for existing clients due to the impact of COVID on food security needs. Other expenses include purchase of PPE for staff and volunteers. Funding also provided for the purchase of equipment needed to sustain an expansion of the program due to COVID.
South Carolina Children's Theatre	\$82,412	Provided funding for outdoor modifications to comply with social distancing guidelines. Improved HVAC systems to equip with bipolar ionization system.
Unity Health on Main	\$80,220	Funding was awarded for costs related to telehealth equipment to safely serve the community & patients, materials and supplies for food share box program, and for the purchase of tents to expand space to treat patients outdoors when possible.
Triune Mercy Center	\$68,179	Funding was awarded for upgrading technology and internet for staff accessibility during COVID to be able to maintain communications and social distance, as well as for sanitization and cleaning costs of the homeless shelter.

Organization	Grant Funds Awarded	Grant Description
Pendleton Place	\$66,188	Funding was provided for reimbursement of an emergency meal program for youth clients who were served in the organization due to COVID. The organization has had to provide safe spaces for youth who have been diagnosed with COVID to maintain safety of other clients, including rent of off site space, additional PPE and equipment to maintain social distance, and disinfecting/sanitization services.
Mill Community Ministries	\$52,000	Funding was awarded for costs associated with the emergency food box program. Organization has and will continue to take on expenses due to COVID, including food costs, purchase of technology to allow for less contact with clients, allowing online ordering, providing delivery services and multiple pick up site locations, and PPE for staff and volunteers, etc.
Greenville Technical Charter High School	\$45,000	Funding was allocated for Greenville County Charter Schools to reimburse COVID related expenses including PPE, supplies for students & staff, sanitization protocols, and other costs associated to COVID compliance.
Greer Middle College Charter High School	\$45,000	Funding was allocated for Greenville County Charter Schools to reimburse COVID related expenses including PPE, supplies for students & staff, sanitization protocols, and other costs associated to COVID compliance.
Langston Charter Middle School	\$45,000	Funding was allocated for Greenville County Charter Schools to reimburse COVID related expenses including PPE, supplies for students & staff, sanitization protocols, and other costs associated to COVID compliance.
Lead Academy	\$45,000	Funding was allocated for Greenville County Charter Schools to reimburse COVID related expenses including PPE, supplies for students & staff, sanitization protocols, and other costs associated to COVID compliance.
Legacy Early College	\$45,000	Funding was allocated for Greenville County Charter Schools to reimburse COVID related expenses including PPE, supplies for students & staff, sanitization protocols, and other costs associated to COVID compliance.

Organization	Grant Funds Awarded	Grant Description

Thrive Behavioral Consultants LLC	\$4,934	Funding awarded for costs related to telehealth and new COVID cleaning/sanitization protocols.

SMALL BUSINESS & MINORITY SMALL BUSINESS GRANT PROGRAM

SMALL BUSINESS & MINORITY SMALL BUSINESS GRANT PROGRAM

The economic impact of COVID-19 on the business industry has been devastating. Many businesses experienced an extreme disruption in operations for extended periods of time due to the mandated shutdown and faced radical adjustments to their day-to-day processes. Greenville County Council declared that “small businesses are the backbone of our local economy” and identified them as a top priority in the distribution of CARES Act funds. It was decided by County Council that \$75 million be set aside to assist local businesses with 50 employees or less. Council also recognized the importance of minority owned businesses receiving assistance and designated that \$5 million out of the overall allocation be available for that purpose. Greenville County launched an extensive advertising campaign alerting the community to the available funds. Over the 5-month period of the program, close to \$8.9 million was successfully disbursed to more than 1,480 small businesses in Greenville County. This funding provided a critical lifeline for many business owners in the community.

GRANT PROGRAM SUMMARY

Total Number of Applications Submitted	1,904
Total Number Approved	1,489
Total Number Denied	415
Total Funds Awarded	\$8,882,730.27

The logo for Synovus, featuring the word "SYNOVUS" in a bold, red, serif font with a registered trademark symbol.The logo for Bank of Travelers Rest, featuring the text "Bank of TRAVELERS REST" in a bold, black, serif font, with "SINCE 1946" in a smaller font below it. A green wavy line is positioned below the text, and "Member FDIC" is written in a smaller font at the bottom right.The logo for CommunityWorks CAROLINA, featuring a stylized graphic of a person standing between two buildings above the text "CommunityWorks" in a bold, black, sans-serif font. Below this is a green bar with the word "CAROLINA" in white, and the tagline "Building People & Places" at the bottom.The logo for Southern First, featuring the word "Southern" in a cursive script font above the word "FIRST" in a bold, black, serif font. A stylized yellow and orange sunburst graphic is positioned behind the word "FIRST".

This program targeted small businesses with 1-50 employees located in Greenville County that have been in operation since September 1, 2019 and were negatively impacted by COVID-19. The Federal funds were allocated to reimburse expenses associated with reopening or relaunching a small business with social distancing and other safety precautions as a result of being directly affected by COVID-19. Allowable expenses included equipment, supplies, changes to operational processes, building/equipment modification/adaptations, rent and utilities for leased space that was closed or experienced disrupted business operations due to COVID-19.

Greenville County partnered with Neighborly Software to develop and implement an application for the Small Business ReLaunch Grant program. The application portal went live on July 6, 2020 to businesses that did not receive assistance from PPP, SBA, and or EIDL programs. The application portal was available to the entire Small Business community on July 13, 2020. Greenville County also partnered with 4 banking institutions (Southern First, CommunityWorks Carolina, Synovus Bank, and Bank of Travelers Rest) in order to expedite the review process and allow for a quick turnaround of payment to business owners.

The grants were tiered based on employee size:

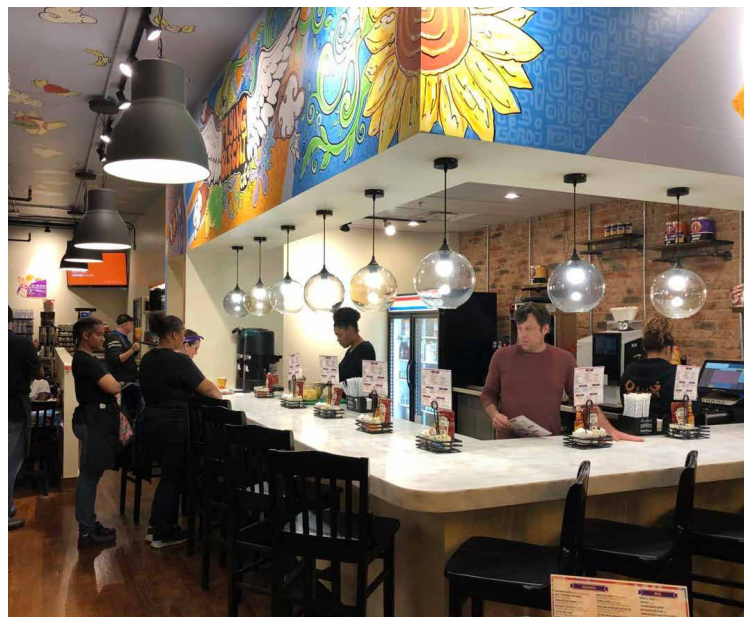

- » 1-5 employees were eligible for up to \$5,000
- » 6-50 employees were eligible for up to \$10,000

Examples of **ELIGIBLE** expenses (non-exclusive) for the Small Business ReLaunch program include:

- » Perishable Inventory, Commercial Lease, Mortgage or Rent Payments (excluding home based business), Utilities (excluding home based business), Other expenses due to safety provisions and social distancing compliance including, but not limited to, training and technical assistance on social distancing and mitigation, purchase of PPE and equipment and physical retrofits to increase social distancing and spread of COVID-19. All expenses must have been incurred after March 27, 2020.

*"I wanted to thank you all for the funding program. This will literally save my business."
Marjorie Booker, Owner, Bosco's Baby's*

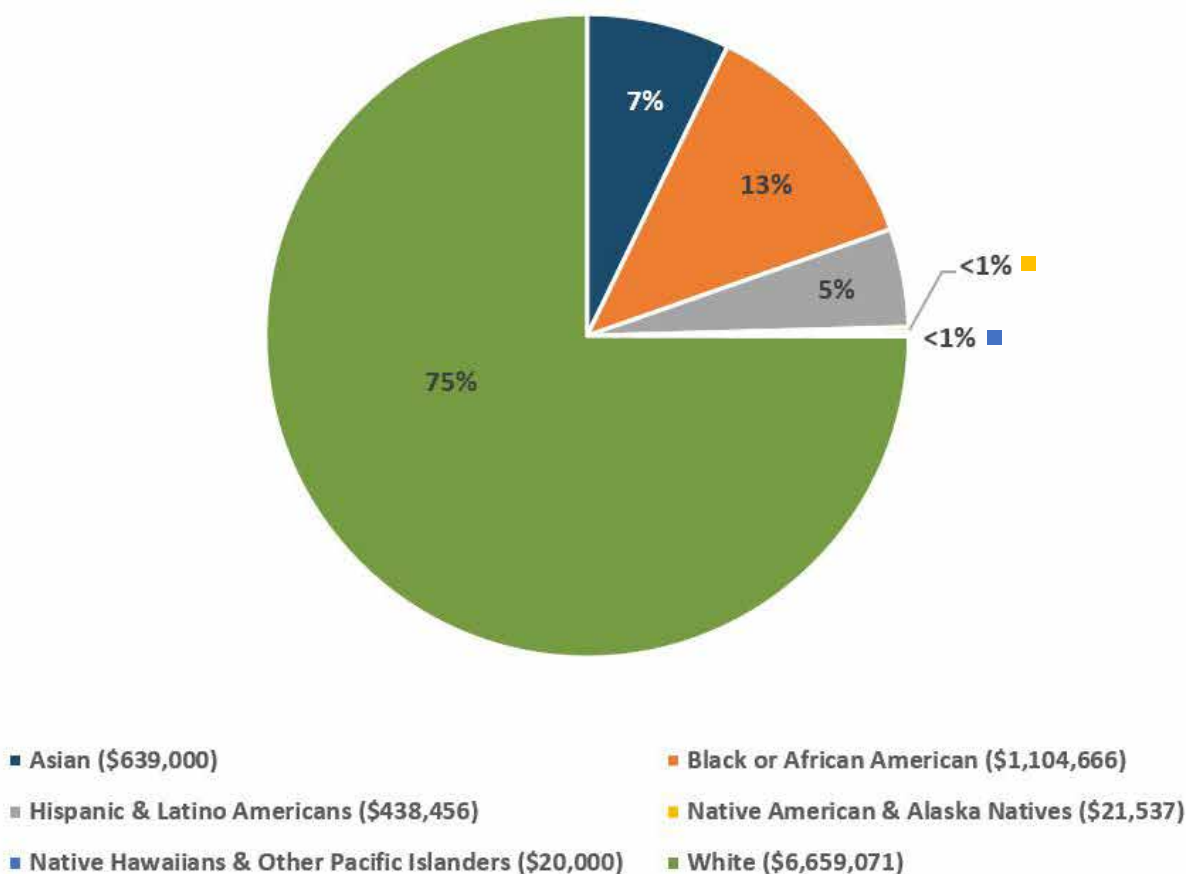

Examples (non-exclusive) of INELIGIBLE expenses the Small Business ReLaunch program include:

- » Payroll and payroll related costs, lost revenue, and working capital.

The Greenville County CARES team worked with local organizations, including local Chambers, Nonprofit Alliance, and the Hispanic community to market the program and get information out to business owners that might qualify for the grant. It was a struggle at times to get business owners to complete applications. There were many that began the process and did not complete (approximately 3,400) despite reminders sent about deadlines. Overall, the grant program approved 1,489 applications and disbursed a total of \$8.8 million dollars to the Small Business community in Greenville County. *(For full list of recipients, see pages 33-72. Graph below provides more detail on the breakdown of minority grant recipients.)*

Total Funding Awarded To Minority Small Business

\$8.9 MILLION AWARDED TO 1,480 LOCAL BUSINESSES

CARES ACT FUNDS
GREENVILLE

by: Ayla Ferrone
Posted: Jul 8, 2020 / 05:17 PM EDT / Updated: Jul 8, 2020 / 06:11 PM EDT

"Basically, from March until now, we've gone completely disposable, just to eliminate contact... Really, the money had allowed us to keep this business going."

Nick Thomas
Owner, Automatic Taco

"We used our CARES Act money to get cleaning supplies and the non-touch items like menu scans instead of physical menus... That all adds up quickly."

Jennifer Lucas, Owner, The Bohemian

UPSTATE BUSINESS JOURNAL | **UBJ**

Here's how some local restaurant owners used the money:

Automatic Taco
Owner Nick Thomas

"Basically, from March until now, we've gone completely disposable, just to eliminate contact. Our to-go containers, little 'taco boats,' cost 60 cents each. Not only that, but plastic silverware, additional napkins, masks. Not to mention, we had to increase storage, with massive boxes of to-go stuff everywhere. Really, the money had allowed us to keep this business going."

NONPROFIT GRANT PROGRAM PHASES I & II

NONPROFIT GRANT PROGRAM PHASES I & II

Greenville County's nonprofit community saw crippling effects due to COVID-19 as some were forced to close their doors and make major shifts in the way they provided public service to the vulnerable populations they served daily. County Council set aside funding to directly assist health and human service and arts related 501c3 nonprofits with unbudgeted COVID related expenses. The first grant program began in early July. A Phase II grant program was developed and approved in November to help offset the continued costs that nonprofits were incurring as they worked hard to meet the growing needs brought on by COVID-19 in Greenville County. The two phases of the grant program put a combined total of over \$1.6 million back into the local nonprofit community. The grants were tiered based on employee size.

NONPROFIT GRANT PROGRAM SUMMARY

Total Number of Applications Submitted	147
Total Number Approved	121
Total Number Denied	26
Total Funds Awarded	\$757,438.63

NONPROFIT GRANT PROGRAM PHASE II SUMMARY

Total Number of Applications Submitted	75
Total Number Approved	72
Total Number Denied	3
Total Funds Awarded	\$849,233.53

This program targeted 501c3 nonprofit organizations with 1-50 employees (excluding those that are primarily political, animal welfare, grant making, academic, or religious in nature) located in Greenville County that have been in operation since September 1, 2019. These Federal funds were allocated to reimburse nonprofits for unforeseen costs associated to COVID-19 during the period of March 27, 2020 through December 30, 2020. Eligible expenses include, but are not limited to, Mortgage or Rent Payments (excluding home based nonprofits), Utilities (excluding home based nonprofits), technology to support remote operations, purchase of PPE and modifications to increase social distancing and prevent spread of COVID-19.

Greenville County partnered with Neighborly Software to develop and implement an application for the nonprofit grant program. The application portal went live on July 6, 2020 to businesses that did not receive assistance from PPP, SBA, and or EIDL programs. The application portal was available to the all eligible nonprofit organizations on July 13, 2020.

The nonprofit grants were tiered based on employee size:

- » 1-5 employees were eligible for up to \$5,000
- » 6-50 employees were eligible for up to \$10,000

The phase II nonprofit grants were tiered based on employee size:

- » 1-5 employees were eligible for up to \$5,000
- » 6-20 employees were eligible for up to \$10,000
- » 21+ employees were eligible for up to \$25,000

Examples of ELIGIBLE expenses (non-exclusive) for nonprofit grant program include:

- » Inventory, Commercial Lease, Mortgage or Rent Payments (excluding home based organizations), Utilities (excluding home based organizations), Other expenses due to safety provisions and social distancing compliance including, but not limited to, training and technical assistance on social distancing and mitigation, purchase of PPE and equipment and physical retrofits to increase social distancing and spread of COVID-19.

Examples (non-exclusive) of INELIGIBLE expenses include:

- » Payroll and payroll related costs, lost revenue, and working capital.

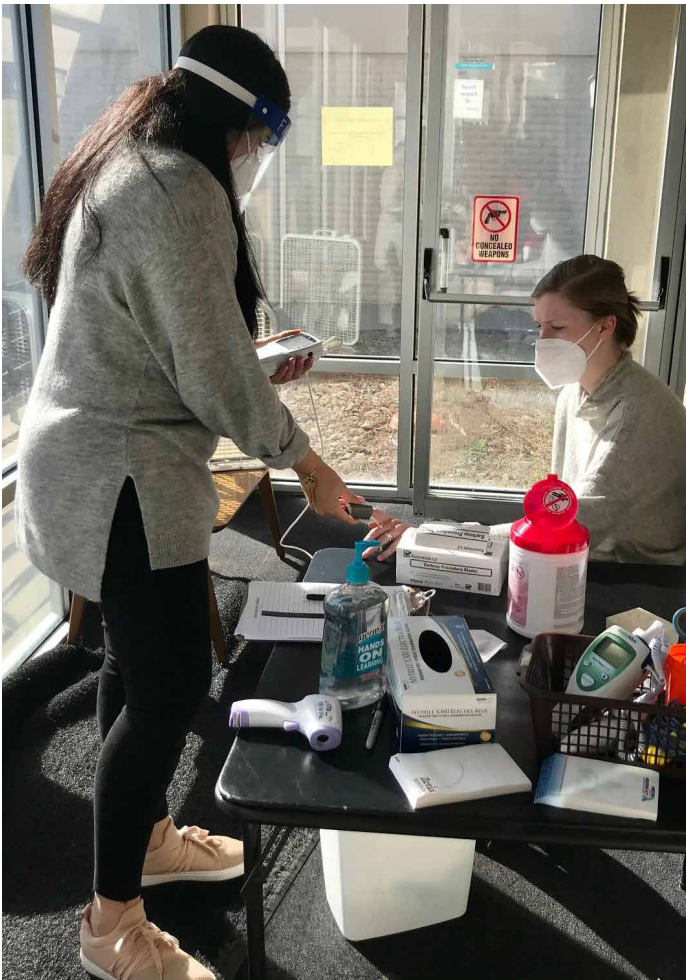

The Greenville County CARES team worked closely with NonProfit Alliance to continually assess the level of needs in the community and within local nonprofits. The Nonprofit Phase II program was launched on November 19, 2020 as an opportunity for local organizations to access additional funding to offset COVID related expenses. This program allowed for organizations to apply for both reimbursement of incurred costs and projected expenses up to December 30, 2020. The grant awards were tiered up to \$25,000 based on employee size. For full list of grant recipients, see pages 78-81.

"On behalf of the nonprofits that serve Greenville County, the NonProfit Alliance would like to thank Greenville County for their investments in our community. Many of these nonprofit organizations experienced an increase in demand for their services, some had to reevaluate the way in which supports were distributed to those in need, and most suffered from decreased revenue. The county funding helped to alleviate unbudgeted costs such as PPE and supplies while assisting with rent and utilities expenditures. We appreciate the County's partnership and look forward to working together as we continue to serve those in our community."

Catherine Puckett, NonProfit Alliance

\$1.6 MILLION AWARDED TO 193 LOCAL NONPROFITS

"We are so grateful for our Greenville County CARES grant...It will really help us to stay on track. and continue to provide quality services to our residents. Thank you for your consideration and your support."
Beth Messick, Jasmine Road

HOSPITALITY COVID COMPLIANCE GRANT PROGRAM

HOSPITALITY COVID COMPLIANCE GRANT PROGRAM

RESTAURANTS, HOTELS, EVENT VENUES

As the pandemic entered the seventh month with the holidays looming and COVID-19 cases increasing, Greenville County restaurants, hotels and event venues were seeing 30-40% revenue loss. The County realized that this industry was getting hit disproportionately hard. The Hospitality grant was developed in November in partnership with CommunityWorks for restaurants, hotels, and event venues to be used for reimbursement or projected expenses related to building modifications, PPE, technology, and other public safety measures and efforts to prevent the spread of COVID-19. Applicants were prequalified by CommunityWorks and then invited to apply through an application on Neighborly Software with incurred expenses or projected expenses that met the eligibility criteria. This popular grant with more than 120 entities funded did not have a set grant cap and was seen as a lifeline for many in the industry with more than \$2,900,000 invested back into Greenville's hospitality industry.

HOSPITALITY COMPLIANCE GRANT PROGRAM SUMMARY

Total Number of Applications Submitted	134
Total Number Approved	124
Total Number Denied	10
Total Funds Awarded	\$2,912,491.83

The program was made available to restaurants, hotels or event venues that are locally owned and operated in Greenville County. Businesses that had already received funding from Greenville County CARES were eligible for additional funding for COVID related expenses and modifications as long as they differed from first request.

Funding was available for costs both incurred and projected within the time period of March 27, 2020 through December 30, 2020. Costs must be necessary for business to maintain operations while adhering to all COVID-19 compliance guidelines. Examples of eligible expenses include but are not limited to: building modifications/upfits (including tents, outdoor patios, Plexiglas barriers, outdoor heaters, drive-thru windows, etc.); sanitization costs (including cleaning expenses, hand wash/hand sanitizer stations, etc.); technology to allow for a low touch/contactless environment (including iPads, disposable supplies, POS systems, etc.); and other expenses related to public safety measures and efforts to prevent the spread of COVID-19.

This program was developed after receiving feedback from the Small Business community and others that the Hospitality industry continued to struggle with increased expenses as they continued to meet ongoing COVID restrictions and guidelines. Greenville County partnered with CommunityWorks Carolina to implement and execute the program. Businesses completed a prequalification form that was managed by CommunityWorks. Once approved, they were given access to the Neighborly portal to complete an application and continue through the process.

Overall, the response was overwhelming with businesses submitting large requests to cover costs including construction costs for building modifications, sanitization costs, PPE, delivery/ to go supplies, POS systems and other technology, etc. Greenville County CARES team worked to remain conservative to allow for as many businesses to receive funding as possible.

\$2.9 MILLION AWARDED TO 124 HOSPITALITY BUSINESSES

Greenville County officials are offering a new round of grants to restaurants and other hospitality-sector businesses that had to pay for modifications to comply with COVID-19 guidelines.

About \$3 million will be available for the Hospitality COVID Compliance Grant initiative, county spokesperson Bob Mihalic said Tuesday morning. The application can be found online at communityworkscarolina.org, and the deadline to apply is Dec. 18.

HOUSING & UTILITY ASSISTANCE PROGRAM

HOUSING & UTILITY ASSISTANCE PROGRAM

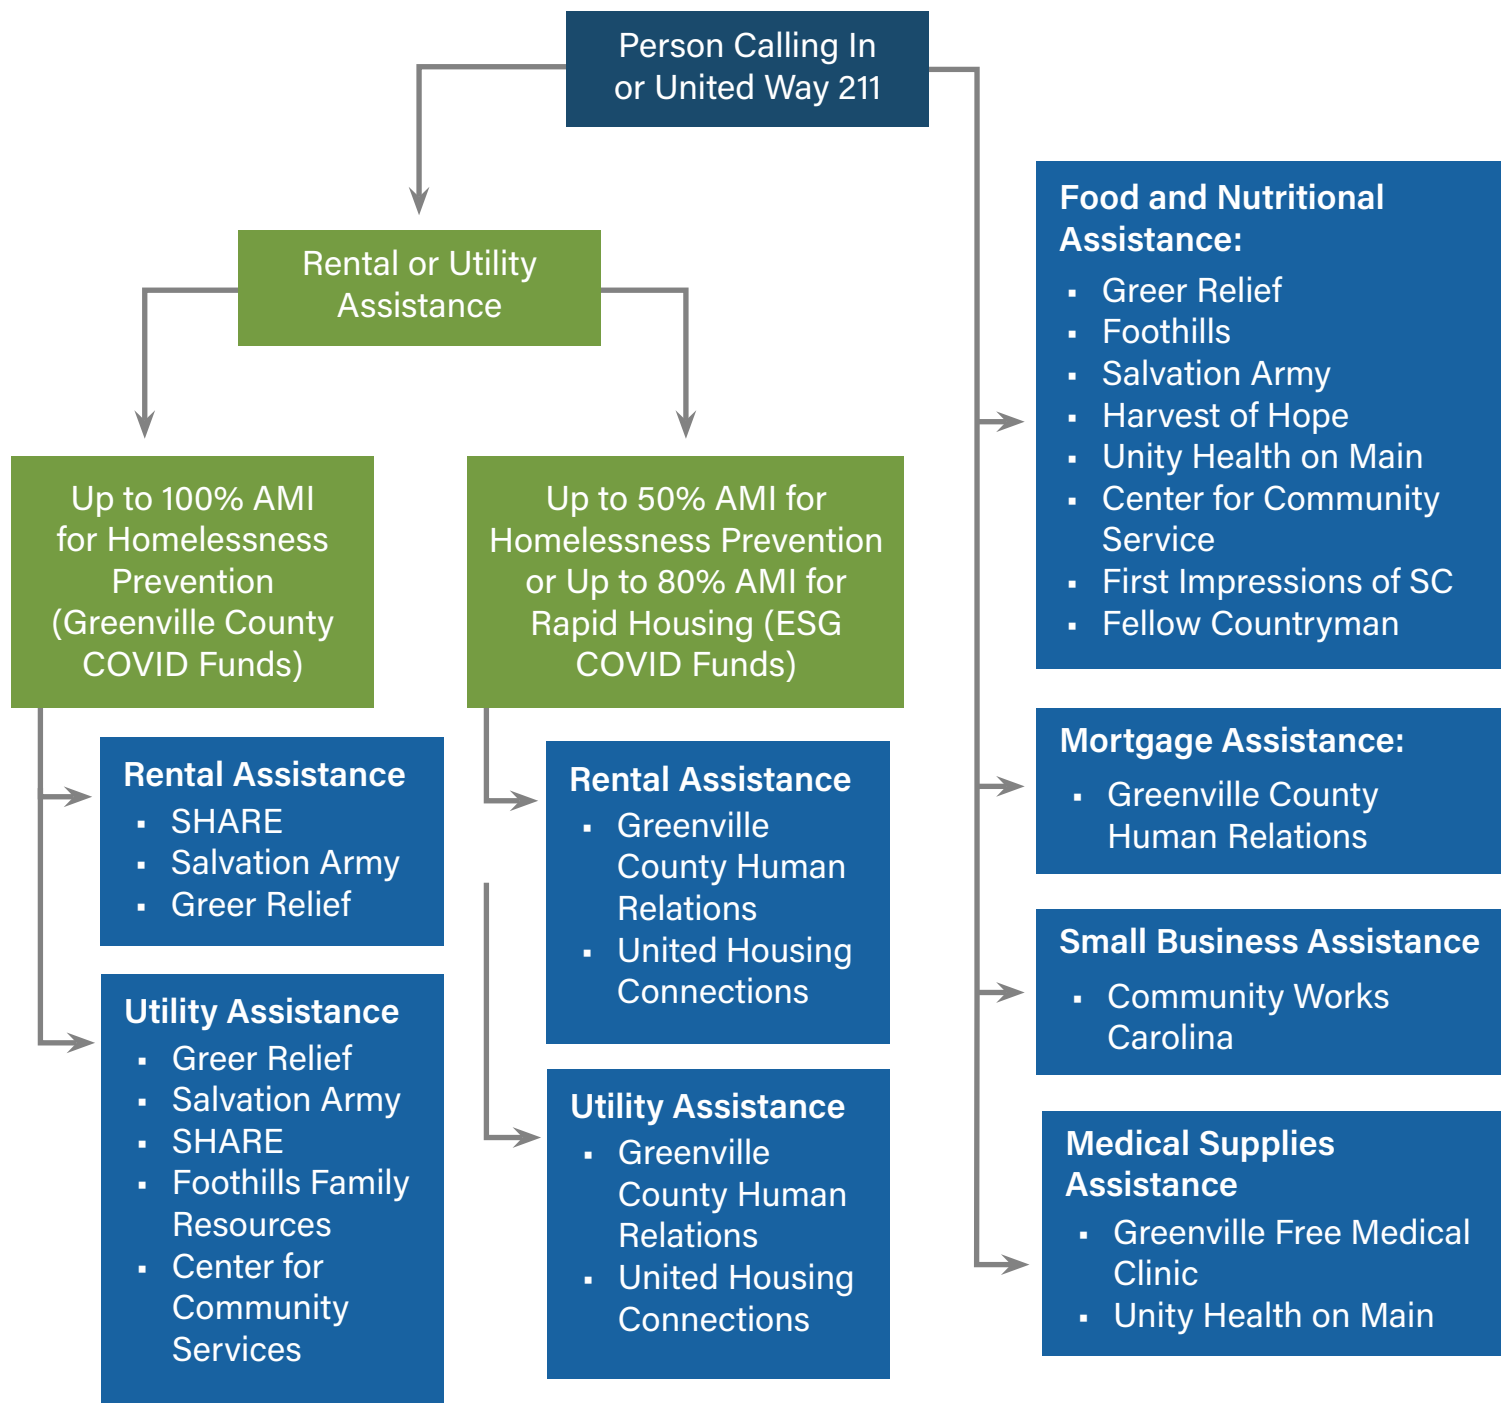

Greenville County recognized that many in our community were facing housing insecurity and the need for housing and utility assistance during the time of the pandemic was increasing exponentially. Greenville County Council set aside \$2,000,000 of CARES funding to partner with Greenville County Redevelopment Authority (GCRA) so as to provide a safety net for those individuals who have been directly affected by the pandemic. GCRA partnered with Greenville Human Relations Commission, SHARE, United Housing Connections, Salvation Army, Greer Relief, 211, Foothills Family Resources, and Center for Community Resources to execute and implement the program.

Eligibility: Greenville County residents/households at the 0%-100% Area Media Income (AMI) level experiencing housing insecurity or needing utility assistance. Proof of mortgage/rental in arrears and rental agreement, or past due utility bills, and a COVID-19 impact statement were required.

At the conclusion of the program, GCRA helped 1,586 individuals with an average payment of \$1,261 for rent/mortgage and utilities.

HOUSING & UTILITY ASSISTANCE PROGRAM

CHILD CARE ASSISTANCE PROGRAM

CHILD CARE ASSISTANCE PROGRAM

COVID-19 has had a profound impact on the community, however nowhere has that impact been more profoundly felt than within the childcare sector- where providers had to close because of health concerns, a fearful workforce, and the very thin profit margins of a health program were nearly impossible to maintain during the early months of the pandemic. In SC, 50% of childcare providers across the state closed, and most were unwilling to commit to re-opening anytime in 2020.

While many wrung their hands and hoped the situation would resolve on its own, Greenville County and Greenville First Steps, recognized the inextricable link between access to quality care and any hopes our community had of seeing its workforce return to normal levels.

Greenville County awarded \$1,450,000 to Greenville First Steps targeted to help childcare providers with COVID-19 related expenses. Thanks to CARES funding, Greenville County has seen a dramatic resurgence of childcare services. In April 2020, 105 of the 220 Greenville County providers were closed. In December, seven (7) of the 220 providers remained closed (and of those, four are federal programs that were mandated to remain closed).

CHILD CARE ASSISTANCE PROGRAM SUMMARY

Direct support for In-home Childcare providers	\$22,000	21 providers funded (serving 125 children)
Direct support for childcare centers with DSS capacity of 50 children or fewer	\$52,500	11 providers funded (serving 495 children)
Direct support for childcare centers with DSS capacity of 50 children or more	\$940,957	114 providers funded (serving 6,840 children)
Personal Protective Equipment and Enrichment supports	\$430,499.91	430,000 disposable gloves 17,000 cloth masks 25,000 children's books
Total Funds Awarded	\$1,445,956.91	146 providers funded (serving 7,460 children)

After the first wave of funding opened the doors to child care centers across the County, the next issue arose when it was decided that the Greenville County School District would have limited in-person learning available. At the start of school in August, children were only attending in-person 1 day per week based and that attendance plan would change based on the County's COVID-19 numbers. This plan eventually changed to 5 days for elementary and middle school students but that was not until the week of November 23, 2020.

This attendance plan created a huge need for school-age care for Greenville County children and their working parents. Through a CARES Community Health grant, \$2,667,000 was awarded to Greenville First Steps to develop a solution. More than 9,500 Greenville County childcare and school age care slots were secured through this investment, ensuring thousands of families could return to work and school. Greenville County was the only locality in the State and the Southeast to take such a significant step to ensure our childcare sector was treated as essential workers, and as an essential piece of rebuilding our economic vibrancy.

Program Highlights

- » 185 Greenville County Childcare and School age providers were supported through direct grants, childcare vouchers, and supportive materials (including access to personal protective equipment, curriculum and classroom supplies)
- » 9,850 children were served through these programs, with an estimated 7,500 families impacted throughout Greenville County
- » 430,000 disposable of Gloves and 65,000 children's books were distributed to childcare centers

SCHOOL AGE GRANT PROGRAM SUMMARY (FUNDED THROUGH COMMUNITY HEALTH GRANT)

Direct support for In-home Childcare providers	\$124,000	15 providers funded (serving 80 children)
Direct support for childcare centers with DSS capacity of 6-29 students	\$350,000	71 providers funded (serving 765 children)
Direct support for childcare centers with DSS capacity of 30-60 students	\$180,000	23 providers funded (serving 1,045 children)
Direct support for childcare centers with DSS capacity of 60 or more students	\$403,372	23 providers funded (serving 1,670 children)
Personal Protective Equipment and curriculum materials	\$273,300	80 handheld electrostatic sprayers 195 gallons of disinfectant 40,000 children's books
Workforce Supports (care subsidies)	\$972,100	Subsidized childcare costs for 925 children
Program Enrichment and Training	\$364,228	
Total Funds Awarded	\$2,667,000	132 providers funded (serving 3,560 children)

MORE THAN \$4 MILLION AWARDED TO 185 CHILD CARE PROVIDERS THROUGH CHILD CARE ASSISTANCE AND SCHOOL AGE CARE

"When the centers started closing their doors, we knew we wouldn't be able to keep our business afloat. Our staff is just me and my wife, we couldn't lay off anyone- we just went without pay. But the enrichment grants provided us \$10,000 in funds, ensuring we remain open, and they allowed us to offer programming to 10 centers across the county."

Mauldin Enrichment Partner

MUNICIPAL GOVERNMENT GRANT PROGRAM

MUNICIPAL GOVERNMENT GRANT PROGRAM

This fund was created to reimburse municipalities' unbudgeted expenditures directly related to the Coronavirus pandemic. Expenditures incurred to respond to the public health emergency such as PPE, medical testing, Telehealth, telecommute equipment, on-line payment fees, over-time related to COVID-related duty, social distancing measures and costs associated.

All municipalities located within Greenville County were given access to submit all COVID-related receipts or explanation of costs to the County which were then reviewed for compliance. Municipalities were able to submit multiple applications for reimbursement.

Examples of reimbursed expenses include: Remote Working/Learning, Technology needed to enable compliance with COVID-19 public health precautions, Janitorial Services (increased cleaning and disinfecting of public spaces), Refund of Fees (cost of providing refunds of rental fees or other service fees), PPE, Preparation Efforts, and Response Efforts.

MUNICIPAL GOVERNMENT GRANT PROGRAM SUMMARY

City of Greenville	\$1,058,714.43
City of Greer	\$168,201.20
City of Fountain Inn	\$98,596.80
City of Mauldin	\$56,295.95
City of Simpsonville	\$52,020.15
City of Travelers Rest	\$26,347.83
Total	\$1,460,176.36

SPECIAL PURPOSE DISTRICT GRANT PROGRAM

SPECIAL PURPOSE DISTRICT GRANT PROGRAM

This fund was created for Special Purpose Districts (SPD) unbudgeted expenditures directly related to the Coronavirus pandemic. Expenditures incurred to respond to the public health emergency such as PPE, medical testing, Telehealth, telecommute equipment, on-line payment fees, social distancing measures, and costs associated. During the early stages of the pandemic, SPDs were called on to support First Responder Testing at local sites and at the Greenville Convention Center. SPDs were reimbursed for the manpower used to support the effort.

SPECIAL PURPOSE DISTRICT GRANT PROGRAM SUMMARY

Boiling Springs	\$24,431.00
Clear Springs	\$10,822.57
Duncan Chapel	\$1,530.96
Gantt	\$2,843.43
Glassy Mountain	\$5,186.01
Greenville County First Responder Testing Site	\$151,794.88
Landrum	\$16,416.74
Parker	\$28,648.86
South Greenville	\$2,545.19
Taylors	\$11,180.61
Tigerville	\$19,881.54
Wade Hampton	\$35,436.40
Total	\$310,718.19

COUNTY AFFILIATED AGENCY GRANT PROGRAM

COUNTY AFFILIATED AGENCY GRANT PROGRAM

This fund was created to reimburse County Agencies' unbudgeted expenditures directly related to Coronavirus pandemic. The agencies included all have relationships directly with the County whereas Board members are appointed, funding is received, or oversight is provided. The agencies include: Greenville Area Development Corporation (GADC), Greenville County Redevelopment Authority (GCRA), Greater Greenville Sanitation, Greenlink, Greenville Arena District, Greenville County Library, Phoenix Center, South Carolina, Technology and Aviation Center, THRIVE, Upcountry History Museum, and Upstate Alliance.

Some examples of eligible expenses include: expenses related to teleworking, PPE, COVID-related compliance costs, and costs associated with reopening during the pandemic. Many of these agencies, due to the nature of their business, had to adjust how they do business to remain open to the public and change protocols in order to reopen. The organizations were allowed to apply multiple times as costs were incurred.

COUNTY AFFILIATED AGENCY GRANT PROGRAM SUMMARY

GADC	\$62,115.72
GCRA	\$34,628.51
Greater Greenville Sanitation	\$305,473.33
Greenlink	\$44,350.27
Greenville Arena District	\$1,325,216.42
Greenville County Library	\$90,395.71
Phoenix Center	\$610,830.00
SCTAC	\$6,916.01
THRIVE	\$56,166.80
Upcountry History Museum	\$6,214.43
Upstate Alliance	\$32,816.57
Total	\$2,575,123.77

\$2.5 MILLION AWARDED TO COUNTY AFFILIATED AGENCIES

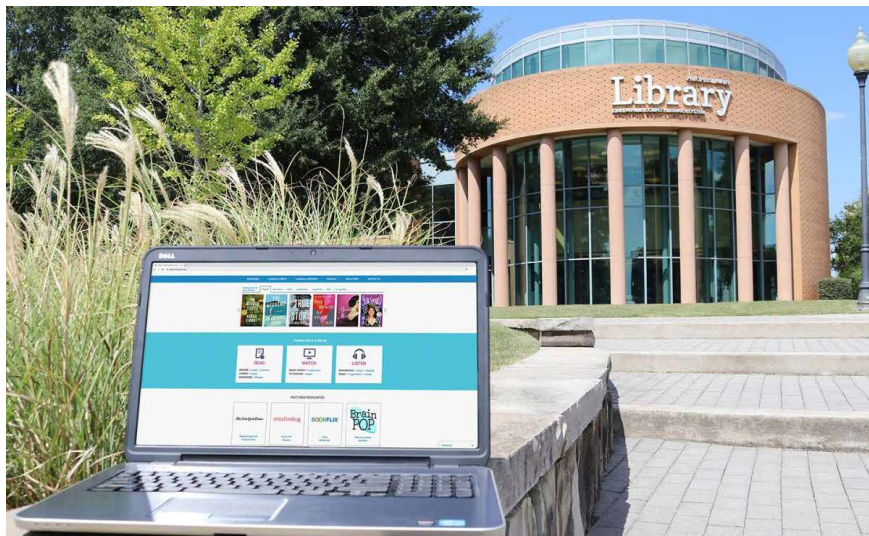

HOW GREENVILLE COUNTY LIBRARY SYSTEM ADAPTED:

Since transitioning from curbside service to reopening its facilities to the public for browsing and limited computer use in early July 2020, the Greenville County Library System's 12 locations have welcomed approximately 287,000 visitors. Greenville County CARES Act reimbursement for the purchase of counter shields, cleaning supplies, hand sanitizer, and disposable face masks has helped staff reduce the spread of COVID-19 between staff and library visitors.

The cost of wireless access points and directional antennas reimbursed with CARES Act funds enabled the Library System to strengthen and expand access to its public WiFi service without the need for users to enter library buildings. Free public WiFi access is available at all library locations daily from 6am to 9pm. The network coverage includes the lawn in the front of the Hughes Main Library as well as the parking areas at all 11 branch libraries.

GREENVILLE COUNTY GOVERNMENT FUND

GREENVILLE COUNTY GOVERNMENT FUND

In June, when the Greenville County CARES program was approved, no one could predict what future expenses might look like and the impact the pandemic would have on Greenville County operations. Greenville County provides essential operations for over 500,000 residents. Even during the pandemic, roads continued to get paved, animals rescued, parks remained open, people were arrested and detained, and taxes were collected. However, some operations saw a dramatic increase in use or protocols needed to be changed for COVID-19 compliance. A few examples are Greenville County Emergency Medical Services (EMS), Emergency Management, Family and Magistrate Courts, and Tax Services.

Greenville County first responders saw a dramatic increase in call volume while at the same time seeing an increase in absenteeism directly tied to the pandemic. With CARES funding, the County was able to reimburse salaries for our EMS workers.

In addition, CARES funding allowed for Greenville County's courts to be up-fitted for video conferencing to enable the courtrooms to operate effectively in our new virtual and socially distanced environment. This technology, along with improving the County's infrastructure so more employees could have remote access and ensuring County Council could continue to have meetings and live stream, were all required during the pandemic. Furthermore, Greenville County waved all on-line processing fees for citizens paying taxes so as to limit the need for in-person contact. The County was reimbursed for those COVID-19 related expenses. The County expenditures fell into four main categories: EMS Salaries, Operational Expenses, Public Health Expenses related to COVID-19, and 2021 projected EMS expenses.

GREENVILLE COUNTY GOVERNMENT FUND SUMMARY

Emergency Medical Services (EMS) Salaries (2020)	\$16,423,902.23
Operational Expenses (Technology, Online Fees, Equipment, etc.)	\$10,086,846.90
Public Health Expenses (PPE, Supplies, Building Modifications, etc.)	\$546,532.77
2021 Emergency Medical Services Projected Expenses	\$5,720,008.72
Total	\$32,777,290.62
