Re: *GreaterGood.org \$5,000 grant "Keep Pets with Their Families"*

Greenville County Animal Care was awarded a \$5,000 grant from GreaterGood.org to assist families affected by job loss or illness related to the COVID-19 pandemic who cannot otherwise afford veterinary treatment for their pet(s). Funds will be used to diagnose and treat acute cases of illnesses, infections or injuries for family-owned cats, kittens, dogs, and puppies. These services will be offered through our on-site animal clinic.

Dear Shelly Simmons,

On behalf of GreaterGood.org and our board of directors, and in partnership with Tito's Handmade Vodka, I am pleased to award your organization this grant of \$5,000 to help Keep Pets With Their Families. This grant funding is restricted to the diagnosis and treatment of acute cases of illness, infection, or injury for family-owned cats, kittens, dogs, and puppies. The funding is specifically to assist families affected by job loss or illness related to the COVID-19 pandemic who cannot otherwise afford emergency veterinary treatment for their pet(s).

Please keep us updated on how this donation has helped your organization. By accepting this grant, you will be required to submit a grant report through our grant management system 2 weeks after the award date 08/24/2020. This grant follow-up report will require financial accounting, impact measurement and any anecdotal stories you can provide, based on the scope of your project and this grant.

Once again, it is an honor to support the important work of you and your organization.

Sincerely,

Liz Baker

Executive Director, GreaterGood.org
