Describe your understanding of the role of a member of the board or commission to which you are applying

The Arena District Board supports the management and staff of the Bon Secours Wellness Arena and ensures that everyone is being great stewards with the resources entrusted to them. As a part of that board, I have participated in the capital improvements committee to learn about upgrades to the arena, including those which will help us continue to fight off covid and other airborne pathogens, and participated in discussions regarding the execution of those upgrades.

What specific skills do you believe you could contribute as a member of this board or commission?

I have worked at Hubbell Lighting for 10 years and have taken on positions in accounting, analysis and engineering. The knowledge I have gained provides me with the ability to participate and understand finances and future projections as well as capital improvements. As a hopefully returning member, I will use the experience I have gained thus far and continue to learn from other board members and increasing responsibility to help in future success.
