A map of the new boundaries and legal descriptions are available in the County Council Office.

The reason for the proposed enlargement is to provide for the orderly collection and disposal of refuse. No additional bonds will be issued by the district, nor will there be any change in the commission or in the personnel of the present commission of the Greater Greenville Sanitation District.

Anyone wishing to speak during this public hearing will need to register on-site during the 30 minutes prior to the start of the meeting. Any person interested in this matter may appear and be heard.
