The property is not along a bus route and there are no sidewalks in the area.</p> <ul style="list-style-type: none">• Floodplain is not present on the site. There are no known historic or cultural resources on the site. There are no schools located within one mile of the site.• The applicant is requesting to rezone the property to R-R1, Rural Residential District. The applicant is proposing single-family residential. <p>CONCLUSION and RECOMMENDATION:</p> <p>The subject parcel, zoned R-R3, Rural Residential is located along Old Hundred Road, a two-lane State-maintained Collector road. Staff is of the opinion that while the requested rezoning to R-R1, Rural Residential, is not consistent with the <u>Plan Greenville County Comprehensive Plan</u> with regards to permitted gross density, the request is consistent with surrounding parcel sizes in the area and would not create an adverse impact on surrounding properties.</p> <p>Based on these reasons, staff recommends approval of the requested rezoning to R-R1, Rural Residential District.</p>
GCPC:	<p>At the August 23rd 2023 Greenville County Planning Commission meeting, the Commission voted to deny the requested rezoning to R-R1, Rural Residential District because this area will continue to grow and they do not want to encourage spot zoning.</p>
