Zoning Docket from September 18th, 2023 Public Hearing

Private Club.

Project Information:

The applicant is proposing to modify the allowed uses on the property to create a music-centric facility. Building modifications are planned to facilitate this. Existing I-1 uses will also be allowed. The site consists of two parcels and is 2.56 acres.

Proposed Land Uses:

The intended use for the site is I-1 compatible uses, recording studio, concert hall (with indoor/outdoor music-based events with alcohol/food sales), music school, and private club.

Architectural Design:

The applicant states that the existing building will include storefront entries with aluminum canopies and wall sconces. An addition is planned for the recording studio which is to be constructed of painted CMU with portions incorporating a wall mural.

Access and Parking:

Parking for the site is accessed by a driveway off of Pinckney Street. Parking is to be shared between uses with different operational hours.

Landscaping and Buffering:

No new landscaping is proposed as part of this FRD.

Signage and Lighting:

The applicant states that signage will comply with the Greenville County Sign Ordinance. No new site lighting is currently proposed, be if needed will comply with Section 12:1.1 of the Greenville County Zoning Ordinance.

CONCLUSION and RECOMMENDATION:

The subject parcels, zoned I-1, Industrial District, are located along Pinckney Street, a two-lane, County-maintained local road. Staff is of the opinion that the proposed uses, as outlined in the Statement of Intent, will bring a community driven atmosphere to Poe Mill and have a positive impact on the surrounding area.

The development would have to meet the following conditions:

1. Submit a Final Development Plan for review and approval prior to the issuance of any land development or building permits.

Based on these reasons, staff recommends approval of the requested rezoning to FRD, Flexible Review District with the aforementioned condition.
